Keeping Up - -

With Uplanders

By V. V. P.

THEY FIND OUT

Maybe you do not realize it, but your way of living is showing.

Ask Harvey Longanecker, for example.

He is the efficient custodian of many lawns and gardens in the community. Thus, he gets to know his clients' habits.

Most of them are litterbugs, at least in small ways. He has to "pick up" after members of the households to keep their yards looking up to his high standards.

Our favorite daily newspaper is delivered early in the morning by that well-known "Squeak" Wilson. He has a string-tieing machine that secures the individual papers.

What happens to the string that is broken every morning? Ask Mr. Longanecker, he knows.

In most cases, the string is dropped on the lawn or the driveway. . .then the faithful and alert gardener picks them up. Of all his clients, only one takes care of those strings, he reported the other day. And Harvey really appreciates that customer.

Well, Harvey, we will do better in the future.

Ask the milkman, he also knows what goes on in and about the household. He becomes quite an analysist of his customers, judging by the cleanliness of the empty bottles, how long it takes to get the bottles back — how long it takes to get money for his product and services.

The mailmen also have a way of finding out what goes on in the households. He can very easily tell of forthcoming parties — by the invitations and replies; of weddings — by the volume of presents — and of installment buyers — by the volume of bills.

It really takes many people and services to keep a household going and our actions speak very loudly.

JOINS BUILDING DEPT. STAFF

Loys Thomas, a member of the Chino city building inspector's staff for more than a year, will begin work Tuesday in the office of Upland Building inspector Richard Derby.

Mr. Thomas will work on an hourly basis for the city department as a building inspector, Mr. Derby reports. A Chino resident, Mr. Thomas and his wife have four children.

Rellis V. Petty recently left a position with Upland building department for a post with the state division of housing assigned to the Los Angeles area. Mr. Petty had been with this city for three years.

Week End Swims Through Sept. At UHS Plunge

Gus Rischer, director of the summer swimming program at Upland High school, plunge announces the close of the summer swim program Sunday, Aug. 31.

Coach Rischer also announces, however, that week end recreational swims will continue through September, weather permitting. The week end sessions are scheduled for Saturdays and Sundays, 1-5 p.m. Sept. 6-7, 13-14, 20-21 and 27-28.

GARBAGE, TRASH SERVICE

Homer Greear, Upland city superintendent of streets, announces that city trash and garbage collection service will continue on schedule Monday, Labor Day, with no change in pickup schedules.

Upland Labeled "Industrial City" As Ontario Questions Use Of Outfall Sewer Line

Upland's Rezoning Of Two Areas For Light Industrial Use Causes Neighboring Council To Raise Question On Upland's Share In Financing Master Sewerage Plan

By its recent action zoning a strip of property in southwest Upland and a small area in northwest Upland for light industry City of Upland has changed from a "residential city" to an "industrial city", according to an opinion from Ontario city council forwarded to the Upland councilmen Thursday night by Harold Martin, Ontario city manager.

This was revealed as Mr. Martin reported the Ontario council is now of the opinion that Upland perhaps did not pay its full share of the Grove Ave. Outfall sewer line installed by the two cities in 1957.

Ultimate Use Cited

Mr. Martin, referring to the James M. Montgomery report prepared for the Master Sewage plan of Ontario and Upland in Nov., 1955, pointed to the difference in maximum design flow for sewer lines serving multiple-dwelling residential areas and light and heavy industrial areas.

The contention of ntario councilmen, as expressed by Mr. Martin, is to the effect that Upland's share in the cost of the line was based on multiple-dwelling residential areas being the heaviest ultimate user of the line from the Upland area. The Ontario group has insinuated that by rezoning small areas within the City of Upland for light industrial use, Upland has overnight become an "industrial city" that will contribute substantially more sewage to the Grove Ave. outfall line than was the basis for determining Upland's share of the line's cost.

Upland's share was based on ultimate use of the sewer by this city, Mr. Martin said as he contended that if large Upland areas are to be industrial, Upland should have paid more. Under the possibility of industrial development in Upland, Mr. Martin questioned whether the outfall sewer line will adequately serve the two cities until 1970, as it was so designed.

In Upland there are a number of small parcels in southeast areas of the city zoned for M-2 or heavy industrial use. However, a majority of these parcels, if not all of them, were so zoned prior to the Montgomery report on the two-city master sewerage project. Since the latter report was made, Upland has rezoned the strip between the Santa Fe and Pacific Electric rights of way (on both sides of Ninth St.), from a point west of San Antonio Ave. west to Benson Ave., for M-1 or light industrial use.

Second M-1 Strip

A second narrow strip for the same use has been rezoned north of Foothill boulevard from a point west of San Antonio Ave. to Benson Ave. Upland councilmen Thursday night considered as banal the thought that zoning of the two areas, comparatively minute acreages in the overall picture of the city, has made Upland of the present or the future an "industrial city."

As current members of Upland City council were not sitting on that official body when the outfall sewer line project was planned or realized, they deferred action and further discussion on the Ontario question until the return of City Attorney Henry Busch, who was vacationing.

Return Overpayment

Ironically, at the same session, Mr. Martin reported that Upland had over-paid its share of the trickling filter plant for the two-city sewerage system, with $6,194.64 now due City of Upland from Ontario. In addition, Mr. Martin said Ontario is now ready to pay $2,070 for transfer from Upland to Ontario of Upland's share of the Campus Ave. sewer line and 18-inch outfall sewer. This system was used jointly by the two cities prior to installation of the Grove Ave. Outfall sewer line, and a previous agreement called for Upland to sell its interest in the Campus lines to Ontario on completion of the Grove lines.

Mr. Martin reported the value of the two-city sewage disposal plant south of Ontario is now $1,285,420.75.

Zoning Matters, Permit For Mortuary & Chapel To PC

A number of requests concerning local development will be before Upland planning commission tonight, 7:30 o'clock in the city hall council room, with Upland Concrete Products seeking a zone change to permit continued operation and expansion of their plant at Chaffee and Bodenhamer streets in southeast Upland.

The new Upland zoning ordinance changed the firm's site from M-2 to M-1 zoning, thus making their operation in opposition to the ordinance and thus prohibited from future expansion. The firm seeks the zone change to return the operation and zoning to the status effective until the new ordinance was adopted.

A mortuary and chapel is proposed for the southwest corner of W. Ninth St. and Laurel Ave., one block west of Euclid Ave. and directly east of First Church of the Nazarene, according to a conditional use permit sought by Konstanty Stys. The property owner has not divulged the name of the mortuary for whom he would develop the 1.25 acre vacant property in an R-3 zone.

A public hearing is scheduled for 7:30 p.m. on A. E. Cofer's request for a variance to permit expansion of a residence in a professional use zone at 157 N. Euclid Ave. Mr. Cofer seeks to gain permission to add a two bedroom and bath addition to the duplex unit, as the plans for such an addition were submitted to Upland building department prior to the change in zone from R-3 to C-P effected by adoption of the city's new zoning ordinance.

Approval of subdivision plans for the acreage at the southeast corner of San Antonio Ave. and 13th St. will be sought by Hallett Development Co. The tract was previously given tentative approval by the planning commission.

Approval of a plot plan will be sought by Spence R. Smith for a proposed addition to the store building on the north side of Foothill Blvd., 600 feet east of Central Ave. The plan would provide 12 parking spaces and two loading zones.

A request will be heard from Mrs. E. H. Wells regarding a proposed split of two lots at the northeast corner of Ninth St. and 10th Ave.

Bean Resigns Air Pollution Control Post

In a letter of resignation written in apparent good faith, George R. Bean of Upland last week severed his association with San Bernardino county Air Pollution Control district, effective Sept. 1.

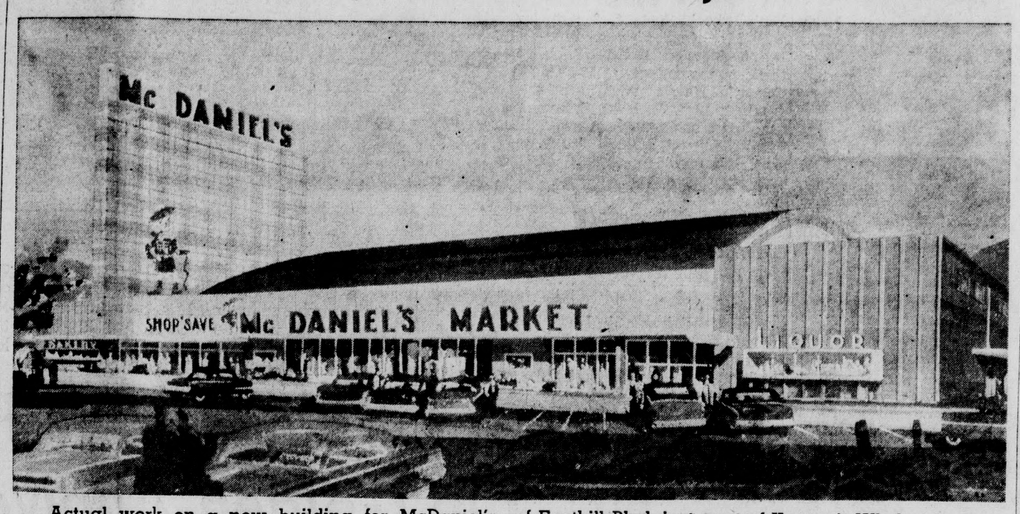

Mr. Bean, who had indicated for some time a desire to engage in private consulting work in the field of air pollution control, held that his a major portion of his task and objective as Air Pollution Control officer was realized with the recent adoption of the county air pollution control ordinance.

Announcing his intention to enter a private practice as an air pollution consultant, Mr. Bean expressed appreciation to the board of supervisors for its cooperation and assistance contributing to the success of the Air Pollution Control district program in San Bernardino county.

ACTING CITY MANAGER

Howard C. Paulin is today Upland's assistant city manager, his temporary appointment having been made by Upland city council for the duration of City Manager Elwin Alder's vacation. The fire chief is also serving temporarily as the city purchasing agent in the absence of Mr. Alder.

Foothill Blvd. To Get Major Market

Actual work on a new building for McDaniel's Super market is scheduled to be started in November and shown above is the artist's sketch of the proposed development. Site of the building is on the north side of Foothill Blvd. just west of Kramer's Wholesale nursery. A 20-acre shopping center is scheduled to be developed with the food market as a major outlet.

This Is For You!

ATTENTION ALL DRIVERS CONTEMPLATING SUICIDE! Suicide lovers, the fastest, most efficient way to kill yourself, and others, is to live it up over the Labor Day week end. Get in the old bus, tear out on the highway, and show the world who owns the right-of-way. Don't let anybody push you around! That's a one way ticket to the morgue, and it shouldn't take you more than 15 minutes to get there. And Upland Safety Council is suggesting that every sensible driver get out of your way so you won't be late. So, step on it!

Riggs National Chief For Union Vets

An Uplander is the new commander in chief of the Order of Sons of Union Veterans of the Civil War, Earl F. Riggs of 1371 W. Seventh St., having been elected at the 77th national encampment of the groups in Boston, Mass.

Long active in the Order, Mr. Riggs is a member of the A. Podrasnik camp in Ontario and has served as junior and senior vice commander and as commander of the Dept. of Calif. and Pacific. In the national organization he has also held the posts of junior vice commander and patriotic instructor.

Sons of Union Veterans will hold the 1959 national encampment in Long Beach.

Altar and Rosary society of St. Joseph's Catholic church will meet Tuesday, Sept. 9, 8 p.m., in the church social hall.

10 Per Cent Less Traffic Collisions

Number of automobile accidents in Upland is 10 per cent less than during the same period in 1957, Police Chief John Wessley reported yesterday. He credited a policy of strict enforcement as the reason for the improvement in the traffic accident situation.

Analysis of the accident record is made on a six-month basis and the 10 per cent reduction is to July 1 of this year as compared with 1957.

"I am sure the record has been maintained during July and August," he said.

No traffic deaths have been recorded here this year, Chief Wessely said.

PUBLIC AUCTION

Upland post of The American Legion will conduct a public auction Saturday, Sept. 6, at the Legion hall on E. Arrow Thursday night waived the usual business license for the benefit event.

November Construction For McDaniel's Super Market

Nov. 1 was given yesterday as the probable date for actual construction of a 36,000 square foot building for McDaniel's super market. Work has been started on a new Pomona building for the food chain and at an early date a new structure will be built in Fontana. Exterior and interior appearances of all three stores will be the same. All these store sites are on Foothill Blvd.

McDaniel's new ultra-modern structure will be on a 20-acre shopping center on the north side of Foothill Blvd., just west of Grove Ave.

Albert L. Wolins, executive vice president and general manager, said that final construction plans are being checked and that actual work will be started within 60 days. Ground breaking for the Pomona store was held this week.

During the past three years, McDaniel's has developed into one of the leading food chain operations in Southern California. Purchase of five Walker's markets, included the parent Walker store here, brought the firm to this area. Additional purchases and additional new stores are scheduled for this year, Mr. Wolins said.

The new Upland store will be in ultra-modern design, decorated in modern pastel tints. Air conditioned and soundproof, every detail of the structure from 13 automatic checkstands, extra wide aisles and convenient merchandising displays, have been engineered with customer convenience in mind, Mr. Wolins emphasized.

Guy Sandridge Jr. is local manager of the present McDaniel's store at Grove Ave. and Chaffey St.

Construction Nears Record Within City

New construction in Upland is today giving the "lie" to the idea of a recession.

Total value of new houses and commercial buildings during the first eight months of the year was $3,638,980, an increase over 1957 and the second highest eight-month total in Upland's history.

Sixty-three new houses were recorded in the office of building Inspector Richard Derby last month. August permits total $887,444. The August, 1957, valuation was $276,990.

Dog Vandals Destroy Lawn At Hospital

New lawn and other planted areas about the new wing of San Antonio Community hospital have been severely damaged in recent weeks by dogs running loose in the neighborhood.

Animal Control Inspector Richard Davis investigated the damage done by the dogs on an early morning visit to the hospital last week in response to a call by Kenneth Hill, hospital gardener.

The dogs have been digging out the grass seed and plants of the new hospital landscaping in the areas south and west of the new wing.

Officer Davis urges the cooperation of residents in the east central area of Upland in keeping dogs confined, especially in the early morning hours. A private residence on N. Ninth Ave., where a new lawn has been planted, has also been the object of the dog vandalism.

United Fund Meet Today

Chairmen of local charitable and community welfare agencies have been invited to attend a meeting today with representatives of West End United Fund, to convene from 10 to 11:30 a.m. in the Girl Scout house, Third Ave., Upland.

Joseph Hecht, president of the board of directors of the newly organized West End United Fund, and Clyde Madden, Fund executive, will meet with the representatives of 17 participating agencies.

Discussion will cover the formation of the West End United Fund and the organizational progress realized to date, plans and dates for the first United Fund campaign, the need for United Fund agency assistance in the campaign, and the method of budget presentation by participating agencies.

UHS Student Council Will Meet Tonight

Frank Batchelor, Upland High school associated student body president for 1958-59, will preside tonight when the UHS student council meets at the school to lay plans for the school year. Mrs. Betty Palmer, new director of student activities, will also be present.

Discussion of Freshman Day, scheduled for Saturday, Sept. 6, will be one of the major topics before the council at the eight o'clock session. As the two foreign exchange students coming to the campus this fall will be enrolled in the school's leadership class, which meets regularly with the student council, the council will also plan a welcome for them.

A school activities budget and social calendar will also be on the agenda, according to Mrs. Palmer.

Members of the student council with President Batchelor are Bob Hoke, vice president; Donna Busch, secretary; Kay Gannon, treasurer; Janet Ford, social chairman; John McCallum, advertising manager; Bryce Walker, pep commissioner; Marie Patane, Girls League president; Joe Romolo, Inter-Club council president; Gordon Pilone, Senior class president; J. D. Heath, Junior class president, and Gary Myhre, sophomore president.

CUCAMONGA AREA SEEKS NEW ZONING

Transition Toward Area Of Industry, Homes, Business

A new zoning plan is wanted for Cucamonga and Alta Loma by members of the industrial committee of Cucamonga chamber of commerce.

An informal meeting was held in the chamber office Tuesday night to advise John Littleton and John Peterson, members of the county planning commission, that the 1953 Cucamonga-Alta Loma master zoning plan is out of date. The commissioners were also urged to help in developing a "more receptive attitude" when changes are sought.

Developers Speak

Sebastiano Filpi, who is developing an industrial area, is chairman of the committee. He spoke of the great transition away from agriculture that has occured in the district's economy. Others who spoke on the "changed attitude and the changed needs" were Chas. Hughes, Leon Lucas, Norman Hixson, Chas. Smith, Harold Blatz and Carl Masingale. Ted Vath, chamber president, presided.

Purpose of the meeting was to develop a better medium of communication between the district's representatives and the planning commission and to impress upon the commissioners the fact that conditions and ideas have changed. In 1953 a master zoning plan was adopted for the area.

Ask New Attitude

Mr. Hughes appealed for "better public relations" so that when prospective developers seek changs there will be a constructive rather than a critical attitude. This view was also endorsed by other speakers. Mr. Hixson, manager of Cucamonga County Water district, cited the "great change that has occured," in the area in five years. Establishment of the new Chaffey college campus and the economic need to give up citrus production were cited by him as major factors.

Richard G. Manley, candidate for county supervisor, was an interested observer taking notes.

Citrus, Grapes Losing

It was emphasized that the 1953 zone plan assumed that agriculture will play a major role in the community. Since then, citrus and grape production has subsided due to low production and today, the speakers emphasized, the future lies in industrial, residential and commercial development.

"We want to be ready for the influx of new population that is destined for the areas as California continues to grow," said Mr. Lucas in urging the adoption of a new master zoning plan.

No definite action was taken, the meeting being for the purpose of informing the commissioners of changed attitudes.

MIKE ZEMBA $10 WINNER

Michael Zemba is this week's winner of the AD-Rime contest.

Residing at 9852 Salina St., Cucamonga, Mr. Zemba produced what was judged the best entry in the contest based on the advertisement in The Upland News last week.

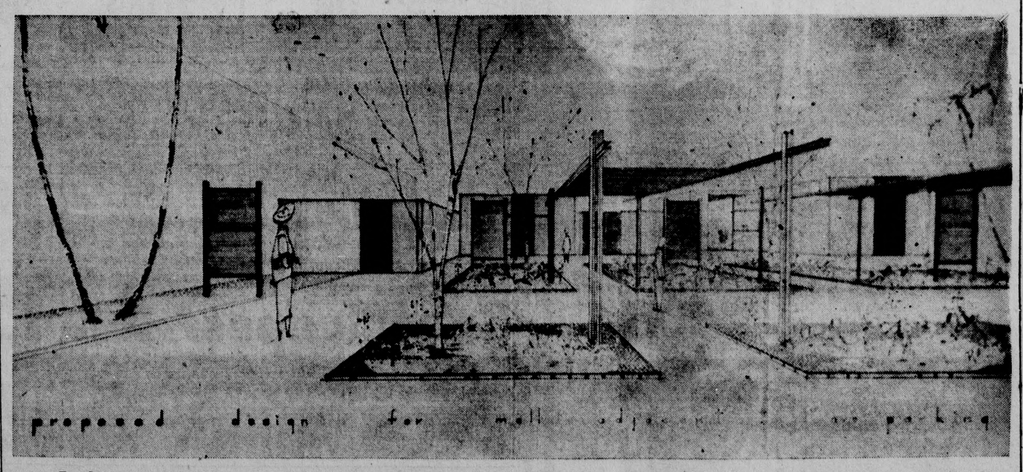

He will receive $10 as the prize and his entry will be a contender for the grand prize of $50. The Cucamongan is a painter by trade.

Truck Driver Hits Train, Killed At Archibald Ave.

Jack Leo Holmes, Jr., Glendora, was killed at 9:10 a.m. yesterday when his pick-up truck ran into an east bound Southern Pacific train at the Archibald Ave. crossing, east of Ontario.

Ontario police, who investigated, reported the truck was apparently traveling fast and the driver was unable to stop after seeing the train.

Rear Entries, Pedestrian Mall Visualized For Business Area

At the request of the special building design committee of the Retail Merchants division of Upland chamber of commerce, Architectural Student Thos. D. Harris of Upland and a junior at the University of Colorado prepared this conception of what could be accomplished in adding attractive rear entrances to five business houses on the West side of Second Ave. His conception provides a mall in now empty space at the rear of the business houses, which is located directly east of one of the off-street parking lots to be developed. Harris, son of Basil Harris of Harris Pharmacy, said of his basic design: "Upland merchants are now competing with merchants of Ontario and Pomona. Acceptance of this fact calls for cooperation of all Upland merchants and requires organization and working together. With this in mind I pooled the rear spaces to form the central mall to serve pedestrian traffic from the adjacent parking lot." To create interest in the mall, the two simple steel shade structures, numerous areas for earth sculpture or low maintenance plantings, and steel signs to conform with each business house were devised. A uniform plastered surface treatment for the facades of all buildings involved is visualized. Mr. Harris said the concept provides for low-cost remodeling of the buildings' rear "fronts" and development of the mall area. The sketch is printed here to stimulate interest and ideas among the merchants and buying public. As depicted, the mall would be flanked on either side by the buildings housing Upland Appliance store, left, and Western Auto store, right. Businesses served by the mall would include, from left: Magic Lamp gift and flower shop, Scott's Jewelry, Joe' Shoes and Repair, Harnish Dry Goods and Dier's Shoes.

Robert J. Beards Feted On Golden Anniversary

Sunday was a memorable day for Mr. and Mrs. Robt. J. Beard, 1455 W. 21st, for on that day their children, grandchildren, great-grandchildren and friends gathered in celebration of the couple's Golden Wedding anniversary.

Tuesday, Aug. 26, 1908, Hazel Stevenson and Robt. J. Beard were united in holy wedlock in Colorado. Mrs. Beard's home was in Lamar, Colo., prior to her marriage and Mr. Beard grew to manhood in Denison, Kansas, but lived for a time at Horton, Colo.

Uplanders 41 Years

In 1917 the Beards came to Upland from Kansas, where Mr. Beard had been employed with the Rock Island railroad company. After coming to Upland, Mr. Beard worked for Upland-Foothill Water Co. for 10 years as pumpman and zanjero, followed by 23 years as manager of West End Consolidated Water Co. They have lived on W. 18th St. for the 41 years of their residence here, more than 30 years in the same house.

The couple has three children, two grandchildren and two great-grandchildren who joined in the 50th wedding anniversary festivities at the Beard home Sunday, when an afternoon open house attended by other relatives and friends came as a surprise to the celebrants. The couple's daughter, Mrs. Florence Remington, 459 N. First Ave., arranged the open house and greeted guests with parents.

Children And Families

Children of the couple are Mrs. Remington; Kenneth Beard, 609 Maple way, and Miss Lillian Beard of San Francisco. The two grandchildren are Robt. Beard of Upland and Mrs. Fred (Florence) Holloway of Montclair. The great-grandchildren are Lisa, 4, and Douglas 2, the children of the Holloways.

Other family members present for the Sunday observance was the family of Mrs. Beard's brother, Mr. and Mrs. Kenneth Stephenson, their daughter, Mrs. Ruth Hobbs and two children, Scott and Dryann, all of Vista.

Since Mr. Beard's retirement as water company manager, he has devoted his time to the care of citrus groves about his home in northwest Upland, having raised lemons here for the past 30 years. Mrs. Beard fills her time gardening and caring for the home.

Golden Wedding Story Jaggard Bowl Program

Summer chorus of Euclid Community Singers, directed by Cordelia Story Hutchinson, will entertain this evening at Jaggard bowl in De Ana park, Ontario, when 86 couples married more than 50 years will be honored.

The 58 Golden Wedding couples have been invited to a dinner by the Ontario Assn. of Commerce and Industry, prior to the performance.

The skit, written by Mrs. Hutchinson, tells the story of the courtship and marriage of a fictional pair wed 50 years. Playing the part of the couple are Mr. and Mrs. C. W. Jaggard, actually wed half a century. Mr. Jaggard's efforts are responsible for the free community entertainments of which tonight's affair is one.

Playing the couple when young are Miss Shirley Scott and Eugene Penner. Miss Gretchen Lizer, Chaffey High school dramatic teacher, is acting as coach.

Choral numbers interwoven in the story include, "Drink To Me Only With Thine Eyes," "Greensleeves," "O Irish Hills," "The Silver Moon is Shining," "Chiribiribin," and "Home Sweet Home."

Uplanders in the production in addition to Mr. Penner include Alice Rose Wilson, accompanist; Margaret Breeding, Mary Jacobs, Marie Clark, Miriam Carr and Anita Kinkaid.

Brewers Host Rally Tonight; YRs Get Set For Election

"Why We Are Republicans," and "What we can do to win the elections this coming November," will be the subjects discussed by speakers Robt. Heil and Robt. Ford, at the Chaffey District Young Republicans old fashioned political rally and ice cream social tonight in the home of Jack Brewer, president, 1584 N. Euclid Ave. The affair starts at 8 p.m. and gallons of homemade ice cream in assorted flavors will be served during the evening.

Robt. Heil is the executive vice president of the California YR and Robt. Ford is the YR campaign chairman.

Honored guests will be Supervisor Dan Mikesell, candidate for assembly in the 72d district; State Senator Raymond Gregory, who is seeking re-election and Robt. Castle, young San Bernardino attorney who is a candidate for congress.

Mrs. Wm. Higby and Mrs. Wm. Dingle are in charge of planning the refreshments and they have undertaken to provide plenty of dessert for all who attend. Mrs. Higby is extending an invitation to all who are interested to attend and take part in formulating plans for the campaign and to enjoy guest speakers in a comfortable garden setting.

Miss Brown's Luncheon For Bridesmaids

Miss Joyce Brown, who was married recently in Hilo, Hawaii, to Freddie Seril of that city, entertained in honor of her attendants, prior to the marriage, at a luncheon in the picturesque Lanai restaurant, which is situated on a lagoon in Hilo Bay.

Her guests were Mrs. Geo. Gibson of Uplad nand Miss Kay Ueda of Hilo. Mrs. Grant Brown, the bride's mother who with Mr. Brown was in the Islands for the ceremony, also attended.

Danish Party On Weisbrod's Anniversary

Twenty-fifth wedding anniversary of Mr. and Mrs. Albert Weisbrod, former Uplanders, will be observed in Solvang on Monday with a community celebration there and with local friends of the couple invited to attend. In Danish fashion, the celebration is more than just a happy event for the couple and their friends but a community event.

"In this little Danish village, this anniversary is the most important one, except the original wedding ceremony and attended celebration," Mrs. Weisbrod recently wrote to local friends. "So, since we have come to know and love our way of life here, we plan a celebration of a similiar nature. This means hiring a hall and having a Danish style party, including 'Smorrebrod', Kransekag or Danish wedding cake, music and dancing."

Mrs. Weisbrod, who was unusually active in community events here, asked The Upland News to extend a general invitation to local persons to join in the celebration.

MR. AND MRS. HAROLD KOUGH

Harold Kough's Bride Miss Suess Of Balboa

Harold Russell Kough, the son of Mr. and Mrs. Merl D. Kough, 345 S. Vine Ave., and Miss Doran Gayle Suess were united in marriage Sunday afternoon in St. Andrew's Presbyterian church, Newport Beach, in double ring rites with the Rev. James S. Stewart officiating and 200 guests in attendance.

Miss Suess is the daughter of Dr. and Mrs. Otto Gayle Suess, 1708 Park Ave., Balboa Island. Given in marriage by her father, she wore a floor length Cahill princess gown of blush satin, with the empire bodice scooped at the neck. Her illusion veil cascaded from a dainty lace cap dotted with pearls and pastel irridescence. A white orchid surrounded by moth orchids and stephanotis was arranged on a small white Bible which was covered with an heirloom lace handkerchief more than 100 years old.

Deocrations in the church, arranged by George's Flower Shop of Upland, consisted of baskets of white gladioli and large white China 'mums.

Miss Joanne Suess, sister of the bride, was the maid of honor and the bridesmaids were Mrs. George Moore of Oceanside and Mrs. Bud Murphy of Arcadia. All wore princess frocks. Miss Suess was in rose taffeta and the bridesmaids wore paler pink organza over taffeta. Their flowers were cascade bouquets of pale pink to white anthuriums.

Byron Kough of Capistrano Beach was his brother's best man and the ushers were Loren Sanchez of Upland, Howard Tipton and Walter Kough of Ontario.

Mrs. Suess, mother of the bride, wore a dress of claret red silk crepe and corsage of rose-red anthuriums. Mrs. Kough wore a jacket dress of dusty pink lace with white accessories and a corsage of white anthuriums.

Mrs. Ralph Deaver was the organist.

A reception followed in the church lounge where assisting as hostesses were Mrs. Roger E. Riley, Misses Suzanne Dunk, Patricia Riley and Diane Riley. The four-tier wedding cake in pale pink and white was decorated with wedding bells.

For the honeymoon the bride changed to a charcoal grey, light weight wool sheath and a white feather hat. On their return from Santa Barbara and San Francisco the newlyweds will make their home at 341 N. Bedford, LaHabra.

Mr. Kough will attend graduate school this fall at Long Beach State college to work on his Masters' degree and a general secondary teaching credential. He attended Chaffey Union High school and was graduated from the University of Redlands in 1958, where he was a member of Kappa Sigma Sigma fraternity and of Pi Gamma Mu national honorary social science fraternity.

His bride, formerly of Los Angeles, was graduted from Newport Harbor Union High school, and University of Redlands where she became a member of Alpha Theta Phi sorority. She will teach at LaHabra high school in September.

40 New Professional Nurse Trainees In Chaffey School

Chaffey college opens the fall term with a full enrollment of trainees in the Professional Nursing school, headed by Mrs. Margaret Slotkin, R.N., who organized it last year. The State Certificate of Accreditation has been received for the school's first-year work and is on display in the Nurses' building.

"We had more than 100 applicants from which the freshman class of 40 was chosen," Mrs. Slotkin said. "The interest has been great on the part of the returning 10 sophomores and the entering students. "The nursing staff has been enlarged and meets the total requirements of the State Nursing Board recommendations in qualifications and numbers.

Faculty members and their specialties in teaching areas include the following: Mrs. Theolind Groschen, R.N., and Mrs. Mary Boul, R.N., both of the Chaffey staff, who will teach Medical and surgical specialties to new students: Mrs. Gloria Farr, R.N., and Mrs.Katherine Dawson, R.N., will teach Maternal and Child Care to the sophomore classes.

The ten sophomore trainees are entering specialty areas of training. This semester they will study Maternal and Child Care at San Antonio Community hospital. This group of student nurses will be the first such group to work in the new Obstetrical unit at the hospital where they will use the new conference room for student nurses.

They will also study at Casa Colina Convalescent Home for Crippled Children, Upland Nursery school and the Pediatric clinic of Kaiser hospital, Fontana. Training in Psychiatry will be given next summer at the Metropolitan State hospital at Norwalk. Advanced medical and surgical training will be given the second semester of this year.

The freshman class will take the regular campus training program of anatomy, physiology and English, plus nursing fundamentals. The young women have already passed their tests, including their general college entrance test and the educational requirements.

Mrs. Slotkin commended the cooperation of the people of the district. "Community support in this program has been very helpful in preparing well qualified students," she said. "The entire staff is looking forward to a successful year for the students."

Teachers Plan Reunion Picnic

Upland Teachers club members are holding a picnic Sept. 9 in San Dimas park. The event, a family affair, has been set up by Wilmer Snider, social committee chairman, and will start at 4 p.m. Included in the activities will be softball, volleyball and other games as well as fried chicken.

All school units are bringing fried chicken. Baldy View members are requested to bring assorted relishes; Upland Elementary, potato salad; Sierra Vista, large pies, and the Junior High group, punch, coffee, cream and sugar. All families are requested to bring their own table service.

Dinner, Sale Plans Told At Picnic

Joint annual picnic of Upland Order of the Eastern Star and Masonic lodge was held Monday evening in Memorial park with more than 125 persons participating. Jay Thrasher, master of the Masonic lodge, gave the welcome and expressed appreciation to Mrs. Elenaor Smith and her committee on picnic arrangements.

Mr. Thrasher also announced a family dinner for Sept. 8 in the Masonic hall, with a program observing Constitution Day to follow. He urged all Masons and Eastern Stars and their families to attend. Adults will be charged 75 cents and children will pay 50 cents for the dinner.

Plans for an Eastern Star rummage sale were announced by Mrs. Thrasher, associate matron, for Sept. 5-6 in the building adjacent to Central Market on Ninth St. Mrs. Thrasher asked all having contributions for the sale to contact her.

Following the picnic dinner Monday evening games and visitation were enjoyed, and a hula hoop demonstration was given by Nadine Hanna, Janice and Debbie Hughes, Jennie and Deedee Benninghoff, assisted by Ray Kellog.

Working with Mrs. Smith on the picnic committee were Mrs. Neal Hughes, Mr. and Mrs. Harry Null, Clarence Gordon and T. H. Burg.

CENTENARY ANNIVERSARY SEPT. 8 FOR MRS. ETTA BALDWIN FETROW

On Monday, Sept. 8, Mrs. Etta Baldwin Fetrow of Muscoy, former Uplander, will observe her 100th birthday when an open house will be held in her honor at Burrow's Rest Home, 1762 Mallory, Muscoy, where she now makes her home.

The centenarian was born Sept. 8, 1858, in Delaware county, Iowa, and resided for many years in Butler county, Kan., where she met and married the late Frank Fetrow. The couple came to California in 1921, living in Etiwanda for a number of years before moving to Pomona and then to Upland, where Mr. Fetrow passed away.

Mrs. Fetrow is a member of Upland Church of Christ and has been honored on her birthday by a group from this congregation for the past six years.

The only family survivor of her generation, Mrs. Fetrow has three nieces and a nephew in Long Beach, and two great nephews, one in San Raphael and one in Vacaville.

MR. AND MRS. SAMUEL E. ROWE

Sam Rowe, Miss Perez Wed In July Rites At Colton

Samuel Evans Rowe of Los Angeles the son of Mr. and Mrs. Samuel B. Rowe, 7789 Alta Cuesta, Red Hill, and Miss Sara Estella Perez, formerly of El Paso, Texas, were married July 26, 10 a.m. in the Immaculate Conception church, Colton, with the Rev. Michael Keane officiating.

The bride is the daughter of Mr. and Mrs. Juan M. Perez of 7561 Adobe Dr., El Paso. Given in marriage by her father, she wore a floor length empire gown of silk organza over silk taffeta with an overbodice of Venice lace. Her starched lace crown had a point in front and was embroidered with seed pearls. Lace medallions were appliqued to her voluminous veil of French illusion and she carried a white orchid on a prayer book.

Miss Leonila Perez, her cousin of Los Angeles was the maid of honor and Miss Margaret Siciliano of San Bernardino was the bridesmaid. Both wore embroidered polished cotton frocks in peacock blue on princess lines with ballerina length skirts. Their bouquets were nosegays of carnations dyed to match their frocks.

Howard Rowe was his brother's best man and ushers were Richard Perez of El Paso and Robt. O'Neil of Canoga Park.

Traditional wedding music was played by Mrs. Philip Silver, the organist.

The reception was held in Arrowhead Springs hotel garden room where decorations were baskets of white flowers.

The honeymoon was spent at Lake Arrowhead.

The bridegroom is employed in the U.S. Government News bureau in Los Angeles. He is a graduate of USC and is a member of Delta Sigma Phi. He spent two years in the U.S. Navy. He was born in Upland

The bride is an elementary school teacher. She was graduated from Texas Western college in El Paso.

The Rowes are living at 5936 Melrose Ave., Los Angeles.

Mrs. Barnett Ill Briefly Before Death

Mrs. Carrie Lynn Barnett, 87, wife of James W. Barnett, 1997 N. Euclid Ave., died in San Antonio Community hospital, Friday after a brief illness.

Born in Springfield, Ohio, she had lived in California for 71 years, first as a girl of 16 when she arrived at Santa Ana in 1887. She had lived in Orange county and in Los Angeles before coming to Upland 30 years ago.

Other than her husband she is survived by two sisters, Mrs. Harriet Longstreet Gray and Mrs. Jesse W. Olney, both of Upland; Nelson Gray, a nephew, and a grand niece, Grant Oswald of Sierra Madre.

The funeral service was held Monday, 3 p.m., in Draper Memorial chapel, 127 W. C St., Ontario, with Dr. Rufus W. Oakey, former pastor of Upland Presbyterian church, officiating. Interment was in Bellevue cemetery.

Mrs. Thomson's Father Dies On Desert Trip

Earrell E. Robb, 72, Huntington Park, died of an apparent attack in Randsburg, Wednesday night, following over-exertion in the desert when his station wagon became bogged in drifted sand.

Mr. Robb, a retired builder, had been in Upland Tuesday morning to visit his daughter, Mrs. Hal Y. Thomson, 1373 N. First Ave., on his way to Randsburg to pick up a former business associate, Jack Peshak and Mrs. Peshak for a prospecting trip near the desert town.

He had long wanted to return to an area where he had once spotted opals. Leaving his friends in the car he had hiked some time on an unsuccessful search. On returning, the car had become sand bound and after working for several hours to free it he decided to hike the 3½ miles to Highway 365.

As Mrs. Thomson retraced her father's activities, she learned that he had left his friends in the car with fruit juice and he had been picked up at the Highway and taken into Randsburg. His condition must have been far more serious than anyone realized. She believes that after eating in a Randsburg restaurant he had returned to the Peshaks' home to rest before being picked up by an incoming truck which would have freed his car. His body was discovered in the Peshak home by neighbors.

Later, the Peshaks were rescued by a train crew, 48 hours after the mishap.

Mrs. Thomson believes that her father left the car because he had forgotten to take medicine needed daily for his heart. He became extremely upset when he could not find it in the car. She said he had apparently forgotten some medicine he had put in a box of some of his most precious polished rocks, which was in the car.

The late Mr. Robb had been a builder in California with headquarters in Huntington Park since 1921, when he returned from Panama where he had been in construction work on the Panama canal.

Other than his daughter, Mr. Robb is survived by a brother and a sister in Pennsylvania.

The funeral service was held Tuesday morning in the Holman mortuary, Huntington Park, with the Rev. Chas. F. Wagner officiating. Following cremation the remains will be interred in the Rand District cemetery in Randsburg.

At Church Of The Nazarene Sunday

Wings Over Jordan choir, famous since its organization in 1937, will be heard Sunday morning in First Church of the Nazarene. The inspiring group has sung in some of America's most famous centers and has also appeared in Europe and the Far East before service personnel.

Nazarene Church Guests 'Wings Over Jordan' Choir

The well-known Wings Over Jordan choir will be featured in First Church of the Nazarene in Upland, Sunday morning, the Rev. Wm. E. Thompson, pastor, announced.

The choir, first organized in 1937 by Mrs. Mildred Settle, was sponsored by the CBS and Mutual radio networks for 11 years. It has given concerts in all 48 states and was chosen by the U. S. government to serve our armed forces in both Europe and the Far East. The choir has appeared in the Town Hall, Madison Square Garden and Carnegie Hall, New York City and Hollywood Bowl in Los Angeles.

The singing group will present a concert at 9:30 a.m. and will sing for the regular Worship Service beginning at 10:50 a.m.

The Singspiration and Evangelism Service, which begins at 7:00 p.m. will have as its feature "Accent on Youth", organized by John Anderson. The pastor will speak.

Healing Works Science Topic

The practical importance of the healing works of Jesus Christ will be brought out in the lesson sermon in Ontario Christian Sicnece church, in Ontario, Sunday.

Scriptural readings in the Lesson-Sermon entitled, "Christ Jesus", will include the account of John's Gospel, 9:1-7, of Jesus' healing of the blind man. The account commences, "And as Jesus passed by, he saw a man which was blind from his birth." The man's healing is recorded when Jesus said,"Go, wash in the pool of Siloam. . . He went his way therefore, and washed, and came seeing." 1,7.

Mrs. Bowers' Rites Saturday

Mrs. Ida L. Bowers, 370 N. First Ave., died in her home, Wednesday, after an illness of seven years.

She was 81 years of age and was born in Pleasanton, Cal. She had lived in Upland for 36 years. Her husband, Israel P. Bowers, died in 1948.

She is survived by her daughter, Miss Edna Bowers, of Upland, who had cared for her mother during her seven-year illness. Also surviving are one son, Elmer R. Bowers of Claremont and one grandson, Donald Lee Bowers of San Bernardino.

The funeral was held Saturday, 10 a.m. in Stone Funeral Home, with the Rev. Philip C. Peace, associate pastor of First Methodist church, officiating. Interment was in Bellevue cemetery.

One Slip, One $20 Check And Dinner For 5

"Pardon us, your slip is showing," and Herbert Vogler, Upland realtor will be the first to notice.

Herb was $20 to the good last week for his alert mind and keen sense of humor, having received a check in this amount from The Readers Digest.

At a regular Sunday morning service of Bethel Congregational church, Ontario, Mr. Vogler's attention was halted at a line in the church bulletin: "The Hymn —'Rise Up, O Men of God' (Congregation remains seated.)"

This brought forth an audible chuckle from gregarious Herb and Mrs. Vogler replied to the interruption with an elbow nudge to bring her husband back to the church service. But one glance at the bulletin item made Mrs. Vogler a partisan in the mirth.

When Mr. Vogler showed the bulletin to his office staff and they also found good humor in the program item, he added a marginal note, "We think this is funny, don't you?" and mailed it to The Digest.

The editors of that monthly bundle of quotes undoubtedly did, for Mr. Vogler has his $20 and Bethel Congregational church bulletin is being quoted on page 130 of the September issue of The Readers Digest, under the column heading, "Pardon us, your slip is showing."

On learning of the slip and the subsequent $20 received by Mr. Vogler, the Congregational minister, the Rev. Thos. Walker, suggested that Mr. Vogler should split with his minister or the church. Mr. Vogler's inventive mind made quick work of this suggestion, and as a result the Rev. Mr. Walker, his wife and daughter, were guests of the Voglers for dinner one evening at Sycamore Inn.

ST. CECILIA'S GUILD

St. Cecilia's guild of St. Joseph's Catholic church will meet tonight, 8 p.m., in the home of Mrs. Rudolph Wehner, 8232 Burgundy, Cucamonga. Plans will be discussed for a rummage sale. All members are urged to attend.

County's Jury System Progress Told Kiwanians

A. L. Short, secretary and jury commissioner for the Courts of San Bernardino county, reported to Upland Kiwanis club Tuesday noon on what has been accomplished in improving the county jury system in the past two years.

More than a year ago, Mr. Short addressed the Upland Kiwanians on the objectives of his office in improving the county jury system, and his appearance here in the Stuft Shirt restaurant Tuesday served as a progress report.

Mr. Short said the "San Bernardino county jury system is now acknowledged by the judicial branch of California as the finest in the state." He explained how prospective jurors are picked from the Great register of the county and how subsequent questionnaires and personal interviews are utilized to select the final 3,000 to be empaneled for short periods during a given year.

John Nicholson served as program chairman, with President Alexander McLeish conducting the meeting. W. W. Woodward reported on his recent trip to Hawaii and Japan.

Sept. 11 Final Registration Date Prior To Nov. 4

Sept. 11 is the final date for persons to register for the November election.

Mrs. Lillian Hilde, chamber of commerce secretary, emphasizes that local residents who are not now qualified to vote must sign up with one of the local deputy registrars by Sept. 11.

"Much interest will be shown in the elections but persons cannot vote if they are not properly registered," Mrs. Hilde said in urging persons to immediately get in touch with registrars.

DEAN JONES, MGM's popular new acting-singing star, is pictured here Sunday evening as he sang, "Night of the Quartermoon," theme song from a movie soon to be filmed, in which he will sing the title song with Julie London. It was the first time the song had been sung in public, having been written only the night previous by Sammy Cahn.

DEAN JONES ACCLAIMED IN MYF PROGRAM HERE

After a popular kick-off program Sunday evening starring Dean Jones, MGM movie and recording star, attended by more than 200 Methodist Youth fellowship members from 11 communities, Youth Activities week at First Methodist church continues each evening through Friday with the annual banquet and talent show tonight. Mr. Jones was enthusiastically applauded by the MYF, youth.

The banquet is scheduled for 6:30 p.m. in Fellowship hall of the church, with "Arthritis Gadfrey's Talentless Scouts" program following. Chuck Adams will again serve as Arthritis Gadfrey for the second annual show.

To Defend Title

Back in the spotlight will be the pantomime team, 'Falling Stars From Mars", enacted by Ben Mackall, Roger DeLozier and Ken Calhoun, who were last year's first prize winners. A vocal duet will be sung by "The Saliva Sisters", Nancy Zenz and Janet DeLozier, and a tap dance will be by "The Merry Murray Sisters" of Cucamonga, Janet and Barbara Murray. Helen Hart will appear as a accordion soloist and Sandy "Twinkle Toes" Stewart will present a tap dance. Other performances are to be announced.

Sunday evening's kick-off opened with group singing led by Carl Hess, and followed by a skit presented by Dean Jones and the Rev. Philip Peace, associate minister of the church. Messrs. Jones and Peace were close friends when both were students at Asbury college in Wilmore, Ky. The skit told humorous and interesting incidents of Mr. Jones' short film career, in which he has gained wide acclaim for his acting and singing ability. One of his movies was accorded "best movie of the year" honors in London.

Second Appearance

This was the second appearance of Dean Jones at the annual Youth Activities week at the Upland church MYF. He was accompanied by his lovely wife, a former Miss San Diego. MYF groups present Sunday night to hear the celebrity were from Upland, Cucamonga, Ontario, Montclair, Chino, Westmont, San Diego, Monrovia, Rosemead, Pomona and Glendora.

Youth activities week will conclude Friday evening with the regular fun singing at 6:30 for which the week's leaders are Messrs. Hess, Adams and Peace; discussion group at seven o'clock, led by Dr. Pierce Johnson, pastor of Claremont Methodist church; recreation at 7:45 worship at 8:15 led by the Rev. Bill Echeverria, pastor of San Fernando Spanish speaking Methodist church, and friendship circle at 9:15 p.m. This has been the schedule for the past three nights.

Adult Committees

Pianists and organists during the week have included Mary Jane Hess, Alice Rose Wilson, Marilyn Baugh and Charlotte Jacobs, who accompanied Mr. Jones on Sunday evening.

Adult committees for the week's program are as follows: Mmes. Lewis Stokes and Wally Owens, banquet, with Mrs. C. S. Lehman and Esther circle in charge of food; Mrs. Owens, decorations; Jimmy Edwards, publicity; Mr. Adams and the Rev. Mr. Peace, recreation; Mrs. Adams and Mrs. Dale DeLozier, refreshments; Mrs. Fern Reisner, visitation, and Miss Kay Grimmesey, worship.

THEME SONG for a new movie, which he and Julie London "Night of the Quarter Moon", will introduce, was discussed by MGM's bright new singing star, Dean Jones, as he talked informally with this group during a break in Sunday evening's scheduled program which launched Youth Activities week at First Methodist church. From left about the piano are Barbara Hawkins, High School MYF president; Mrs. Jones; Dean Jones; the Rev. Philip Peace, associate minister of the church and a college pal of Mr. Jones; Gary Gannon, College MYF president, and Virginia Randles, Jr. High MYF president.

IOOF Lemon Pie & Grape Fest Oct. 7

Seventh annual Lemon Pie and Grape festival, sponsored as a "boost Upland" project by Euclid lodge, Independent Order of Odd Fellows, has been announecd by Chairman Carl Reitz for Oct. 7, 8 p.m., in the lodge hall.

Entertainment, refreshments and lots of prizes will be provided, as well as plenty of lemon pie made from locally grown lemons and fresh grapes from area vineyards.

Visiting the Upland lodge for the festival will be Don R. Smith of Sacramento, California grand master of the IOOF, and other grand officers.

Resuscitator In New Fire Dept. Vehicle

Cucamonga Fire Protection district has accepted delivery on the new panel truck to be used by Chief Arvid Lewis and for transporting resuscitator equipment. It is being equipped as a general utility and emergency vehicle.

The new vehicle in No. 3 for the Cucamonga department and was purchased from Alan A. Couch Chevrolet, Upland.

With the new resuscitator installed in the new vehicle and placed in service, Chief Lewis reports that district residents can obtain the services of the resuscitator unit and squad by telephoning the fire call number, YUkon 2-1102.

Information to be given when calling for the resuscitator, listed by Chief Lewis, include the address, the nearest cross street, and information as to what is wrong with the victim, if known. If the call is made a night, porch or yard lights should be left on to direct the emergency squad. In day time, someone should be posted in front of the address to direct the resuscitator crew on arrival.

If a victim ceases to breathe before arrival of the emergency squad, persons on hand should immediately apply artificial respiration until the firemen and resuscitator arrives.

Wisconsin produces about one-seventh of the milk output of the United States.

Postal Building Project Given Local Interest

At least six residents in this area have shown interest in the possibility of financing and constructing Upland's new post office building, according to reports from the Upland postal organization.

Some of these individuals may obtain the detailed construction plans and prepare to meet the deadline of Sept. 12.

Cucamonga Water For Etiwanda Area Considered

A study is now under way by Cucamonga County Water district and some interested landowners in the upper-Etiwanda area regarding the feasibility of annexation to the Cucamonga district by the area and subsequent installation of improvements for water service.

The Etiwanda area is now served by Chino Basin Municipal water district. Possibility of Cucamonga Water district service to upper-Etiwanda area has been suggested as the Cucamonga district is to extend a line to the new Chaffey college campus on N. Haven Ave. in northwest Alta Loma.

Col. Howard F. Clark of Chino Basin water district has reported favorably to his board of directors concerning the possibility of the college water line extension into Etiwanda district. Norman F. Hixson, manager of Cucamonga Water district, told The News his district's board would give such a proposal careful consideration.

If such a project of annexation were realized in the Etiwanda district, it would be declared a special improvement district for bonding itself to construct necessary pipelines and other water delivery facilities. Such a project would cost an estimated $300,000, Col. Clark said.

University Club Has Interesting Program Schedule

September program for University club of Claremont provides five meetings for area members, with Dr. Thompson Webb,headmaster of Webb school, to show pictures and tell of "New Zealand and Tahiti" on Sept. 2.

John J. Harris, handwriting expert will speak Sept. 9 on "Who Wrote Aunt Fannie's Will?", and on Sept. 16, Prof. Wm. G. Blanchard of Pomona college will present "A Glimpse into the Silent Movie Era, When Movies Could Be Seen and Not Heard," with music and a Fattie Arbuckle movie.

"Penal System of California" will be the topic of Elmer J. Oberhauser, superintendent, Chino Institution for Men, on Sept. 23, and the members' meeting will be Sept. 30.

Collegians

DALE CRANDALL, will return to Los Angeles State college where his major field of study is secondary education in history and science. On the campus, Dale is a member of The Statesmen, men's chorus. He is a 1955 Chaffey High school graduate and a '57 Chaffey college graduate.

A second son of Mr. and Mrs. K. L. Crandall, 2525 Belleview, LEE CRANDALL, will be a freshman at California Polytechnic college, Kellog campus at Pomona, this fall. A member of Upland High school's Class of 1958, Lee will major in ornamental horticulture. In high school his main activities were with the Highlanders band and Highlanders Way club.

JAMES A. MacRILL, 763 E. Arrow Hwy., a 1958 graduate of Chaffey college, enters University of California at Riverside for his junior year of premedical study this fall. The son of T. Victor MacRill, 206 E. "D" St., is also a graduate of Chaffey High school, where he was a member of the band and orchestra. In junior college, he was elected to membership in Alpha Gamma Sigma, honor fraternity. Mr. MacRill is married to the former Sarah K. Clemens.

Weed Abatement On PE Railroad Property Urged

Complaints from residents on both the east and west sides of the city were brought to the city council meeting Thursday night by Councilman Phil Holden, regarding the weed growth in the Pacific Electric railroad rights-of-way through the city.

The council instructed City Manager Elwin Alder to contact the Pacific Electric Co. and request cooperation in weed abatement on the railroad rights-of-way.

JC STUDENTS REGISTER SEPT. 5, 8

Chaffey college registration of regular-status students who have completed their programing will be completed during the priority periods assigned them on Sept. 5 and 8, according to the announcement of Wesley Harmon, dean of admissions. Registration is necessary at the appointed time to hold the student's place in class. A proxy may register for a person who cannot attend during the specified time.

The four registration periods are as follows: Yellow cards- Sept. 5, 9-11:30 a.m., Pink cards- Sept. 5, 2-4:30 p.m.; Green cards- Sept. 8, 9-11:30 a.m.; Blue cards- Sept. 8, 2-4:30 p.m.

Chaffey college classes open Sept. 10. New students are asked to report to Hill auditorium at 8 a.m. Former students report to Spring auditorium. Roll will be taken and classes begin at the close of the assemblies.

Any change in programing should be made by Sept. 3 with a counselor.

Late registration will delay the entrance of the student to classes. If he does not complete registration at the appointed time, his admissions to classes will be delayed until the day following this registration. Regular placement tests will be given at 8:15 a.m. tests will be given at 8:15 a.m., 1 p.m., and 6:30 p.m. on Sept. 3.

Ice Follies Sept. 4-21 In L. A.

Ten gorgeous skating queens billed as the most beautiful and stunning girls on ice today, are stars of the Shipstads and Johnson Ice Follies of 1959, which has its world premiere run Sept. 4-21 at the Pan Pacific auditorium, Los Angeles.

This great assortment of feminine talent has been gathered from all over the world and two girls from Southern California are on the list. Carol Caverly, the curvaceous cutie from Compton is one of the top stars this year along with petite Janet Champion, the 13-year-old from San Diego.

Florence Rae, the "Bombshell" skater from New York performs in a very unusual western, called "Under Sea"; and Barbara Meyers is the premiere danseuse in "Ballet Royale."

Then there are four lovelies from Canada, Lesley Goodwin, Marlene Kistner, Judy Lawrence and JoAnn Dawdy.

Molly Beatty, feminine half of the famed ballroom dancing team of "The Beattys" hails from England; while Colleen McCarthy, a newcomer to Ice Follies, is from Sydney, Australia.

Seats to Ice Follies are on sale at all ticket agencies throughout the Southland. The show will be seen evenings at 8:30, three shows on Saturdays, 1:30, 5:30 and 9 p.m., while two performances are scheduled for Sundays, 1:30 and 5:30 p.m.

W. E. Castle Promoted By National Life

W. E. Castle formerly of Upland and formerly with Pomona district office of National Life Insurance Co., has been promoted to the managerial position in the district office in Oakland. For the past eight months, Mr. Castle has been serving in the capacity of supervisor for National Life in Northern California.

The former Uplander started his career with National in Aug., 1951. He was promoted to superintendent in Nov., 1953, due to outstanding ability as an agent. As superintendent, with a staff of six agents, he was field leader over the entire nation for four quarters in 1956 and '57. He was also recipient of Pacific Coast Bear State trophy for the past three years, which is awarded each summer to the superintendent on the Pacific Coast with the leading record. He has also attended four of the company's leadership meetings held annually.

A native son of Ontario, Mr. Castle attended Ontario schools. He is now making his home in Oakland with his wife, Esther, and two daughters, Joan and Jean.

Forrest, LeBlanc On Active Duty At Los Alamitos

Major Shelby Forrest of 437 Greenfield Ct., and Master Sergeant Louis A. LeBlanc of 307 S. Laruel ave., Upland, have been on 15 days active duty with the Marine Air Reserve at the Los Alamitos Naval Air station.

Each summer more than 500 men from Southern California and Arizona go on maneuvers for an intensified period of training under simulated combat conditions. During the remainder of the year these reservists spend one week end a month at the naval air station maintaining their proficiencies.

Major Forrest is a jet pilot and Master Sergeant LeBlanc is a jet mechanic.

ORDINANCE NO. 562

AN ORDINANCE OF THE CITY OF UPLAND DECLARING ITS INTENTION TO VACATE A PORTION OF TURQUOISE WAY AND FIXING A TIME AND PLACE FOR HEARING ALL PERSONS INTERESTED IN OR OBJECTING TO THE PROPOSED VACATION.

The City Council of the City of Upland does ordain as follows:

SECTION 1: The City Council of the City of Upland does hereby declare its intention to close a portion of Turquoise Way, the portion thereof being described as follows:

That portion of Lot 599, Map of Ontario, in the City of Upland, County of San Bernardino, State of California, as per map recorded in Book 11, page 6 of Maps in the office of the County Recorder of said County described as follows:

Beginning at a point in the westerly line of said Lot 599, distant thereon North 0 deg. 02 min. 20 sec. East 475.50 feet from the southwest corner of said Lot, said point being the point of intersection of said westerly line with a curve, concave southwesterly and having a radius of 75.00 feet, a radial line to said curve through said point bears North 26 deg. 08 min. 14 sec. East; thence along said westerly line, North 0 deg. 02 min. 20 sec. east, 118.67 feet to the northwest corner of the property shown on Record of Survey, filed in Book 10, page 85 of Record of Surveys, in the office of said County Recorder; thence along the northerly line of said Record of Survey, South 89 deg. 58 min. 33 sec. East, 33.00 feet; thence parallel to said westerly line of Lot 599, South 0 deg. 02 min. 20 sec. West, 150.38 feet to the point of intersection with the above described curve, a radial line to said curve through the last described point bears North 61 deg. 40 min. 49 sec. East; thence northwesterly along said curve, through a central angle of 35 deg. 32 min. 35 sec. an arc distance of 46.35 feet to the point of beginning.

and reference is hereby made to a map of said portion of Turquoise Way proposed to be vacated on file in the office of the City Clerk in the City Hall, Upland, California.

SECTION 2: The City Council of the City of Upland does hereby elect in its intention to vacate said portion of Turquoise Way to proceed pursuant to the provisions of Part 3, Division 9 of the Street and Highway Code of California, known as the Street Vacation Act of 1941.

SECTION 3: Be it further ordained that Thursday, the 2nd day of October, 1958, at the hour of 8:00 P.M. is hereby fixed as the time when, and the Council Chambers in the City Hall of the City of Upland is hereby fixed as the place where, any persons interested in or objecting to the proposed vacation will be heard.

SECTION 4: The Superintendent of Streets of the City of Upland is hereby directed to post notices of vacation conspicuously along the line of the portion of Turquoise Way proposed to be vacated at least 10 days prior to said hearing. Such noties shall be posted not more than 300 feet apart, but at least three shall be posted.

Said Notice shall contain the following:

"All persons are hereby notified that on the 21st day of August, 1958, the City Council of the City of Upland did pass an Ordinance of intention to vacate that portion of Turquoise Way described as follows:

That portion of Lot 599, Map of Ontario, in the City of Upland, County of San Bernardino, State of California, as per map recorded in Book 11, Page 6 of Maps in the office of the County Recorder of said County described as follows:

Swim Shows Friday A.M.

Upland's summer recreation swim program closes Friday morning with two shows, arranged by Gus Rischer, director, and his assistant, Geo. Colbath. 3

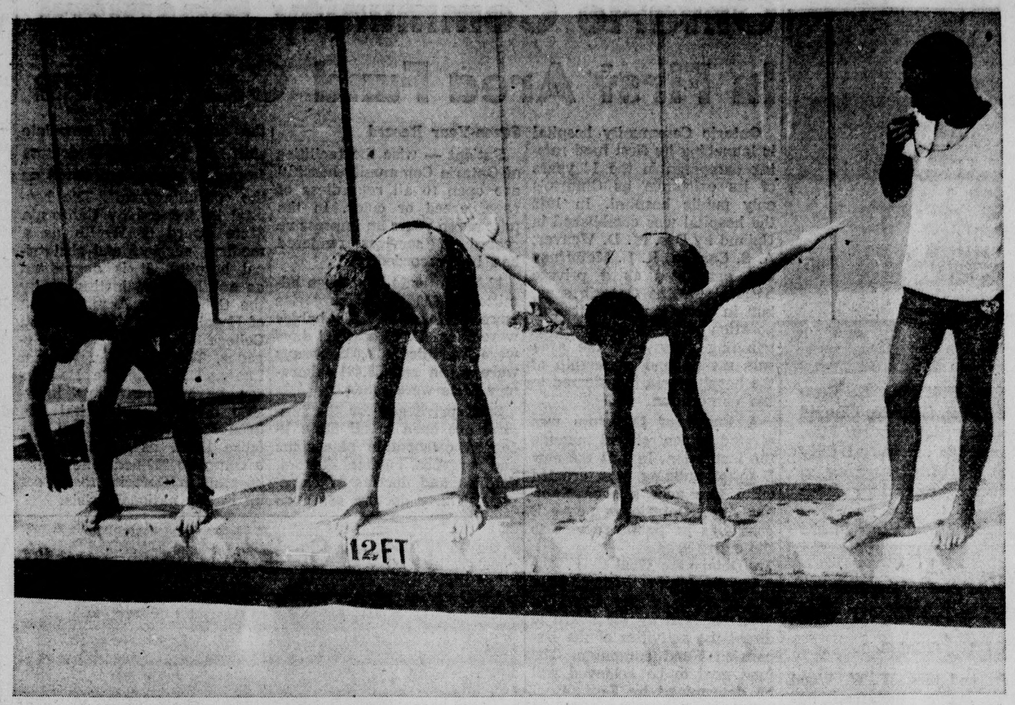

There will be four main events in which instructors and students will participate. The shows start at 9:15 a.m. and 10:45 a.m., in the Upland High school plunges where the program has been carried on.

There will be competitive races and demonstration of three main strokes taught. Gail Frankish will stage a water ballet and there will be diving demonstrations by instructors from the 1 meter and the 3 meter boards.

The programs will be concluded by a water clown act presented by Dan Nicholson and Paul Hood.

Colt Leaguers Mid-Way In World Series

Colt League World Series play is at the mid-way point today, with the championship to be decided Saturday, 1 p.m. in John Galvin park.

The host West End team, composed of Colt league All-Stars from Ontario, Upland and Chino, advanced to the second round of the Series play before being defeated. On Saturday, the West Enders claimed a 11-1 clincher over the Canadian team, but Tuesday night fell to the 3—0 onslaught of the North Charleston, S.C., team.

In other week end games, the South Carolina, North San Diego and Anniston, Alabama teams were winners. Tuesday night, San Antonio, Tex., put highly touted Findlay, Ohio, out of the competition with a 7-3 victory, and McKees Rocks, Pa., handed a second defeat to Chemainus, B.C., Canada, with a 4-3 edge.

Wednesday evening the opposing teams in two games were unbeaten Anniston, Ala., vs. N. San Diego, and once-beaten San Antonio vs. West End.

The six most prominent breeds of cattles in the United States are reported to be: Shorthorns, Herefords, Aberdeen Angus, Brahma and Santa Gertrudia.

Night College Adds Aviation, Law Courses

"Juvenile Court Law," a new Chaffey college evening class put in the curriculum at the request of local police and juvenile officers, will be offered the fall semester. Kenneth G. Bromage, assistant juvenile probation officer of San Bernardino county, will teach the three-unit course Monday evenings from 7-10 p.m.

This new course is designed for police and juvenile officers, welfare, probation, and school attendance officers. The class will study the court laws of California as they affect persons under 21 years of age. The first session will be held Sept. 15.

Aeronautics 82, a three-unit course in "Ground School for Pilot Training," will be offered for the first time as a credit college course. This will be taught by C. Dal Hungerford on Wednesday evenings from 7-10 p.m.

Registration for all Evening College-credit classes will be open from 7-9 p.m., Aug. 25-28, and on Sept. 2 and 3, at the same time. The last two evenings of registration assure the students opportunity to attend the first classes of the semester.

Additional college-credit classes are available in the areas of aeronautics, art, biology, business, electronics, engineering, English, history, hygiene, industrial supervision, science, Spanish, speech and drama.

IOOF'S LITTLE LEAGUE TEAM HONOR GUESTS'

Independent Order of Odd Fellows, Euclid lodge of Upland, will pay tribute to its Little League team Tuesday evening when a dinner in the IOOF hall will have members of the IOOF Little League team and their fathers as special guests.

The dinner is held annually by the IOOF to honor the leaguers. The event will start at 7 p.m., according to Noble Grand Jay Rowberry.

Chaffey Adds Eighth Class In Industrial Supervision

"Cost Control for Supervisors," industrial supervision class 59, will be taught for the first in the Chaffey college industrial supervision program this fall. This is one of the major courses which the program offers to supervisors and potential supervisors in a course of studies which leads to the associate in arts degree and graduation from junior college if students wish to complete the program.

The class will be given Thurday evening from 7-10 p.m. at Kaiser Steel, Fontana. Registration began Monday 7 p.m. in the Chaffey College building, for the industrial supervision program and all evening classes. Classes begin Sept. 10.

James Curry, supervisor of industrial engineering at Kaiser Steel corporation, Fontana will teach the class in "cost control for supervisors." He has previously taught "industrial statistics" and "quality control" in the Chaffey program.

"Cost Control for Supervisors" will study the "profit center concept of business," designed for the non-technical supervisors of engineering methods in effecting cost retion. It will be developed by the case history method and in four Southern California cost associated with time, materials and overhead.

This is one of eight Industrial Supervision courses offered by Chaffey.

Industrial Supervision programs are being coordinated ior colleges, each specializing in certain classes so that there is no overlapping. This makes it possible for men to attend the specialized classes at Chaffey college, Mt. San Antonio college, Riverside City college, and San Bernardino Valley junior colleges according to their needs.

Resolution Authorizes Sale Of $131,891.08 In Bonds For 3 Downtown Parking Lots

In its regular session Thursday evening Upland city council adopted a resolution calling for sale of bonds to finance Upland's three downtown parking lots, Aug. 19 having been the deadline for property owners within the parking district to pay assessments in cash. As of the deadline date $45,092.64 of the $177,073.72 total assessment had been paid, City Manager Elwin Alder reported. This leaves a balance of $131,981.08 for which bonds must be sold.

Opening of bids and awarding of bonds on the assessment balance is scheduled by the city council for Sept. 18 and on Oct. 6 the city expects to receive the money from the sale of bonds. Mr. Alder said that immediately thereafter the city would close escrows on all property purchases for the parking lot.

November Is Goal

"We expect to call for bids on the work Sept. 4 so that by the first council meeting in October (Oct. 2) the council can award the contract for demolition of buildings and break ground for constructing the parking lot," the city manager explained. With this schedule set up by the city officials to meet all legal requirements, Mr. Alder expressed some optimism that the demolition and construction work on the parking lots can begin in November.

He also reported that City Engineer Harold Wilder has plans for the parking lots completed for use in the call for bids. The three lots will provide 185 parking stalls to serve patrons of Upland's downtown shopping center. The lots will be paved with asphalt plant mix, with concrete curbing, landscaping, signs, light standards, and auto entrances and exits onto both adjacent streets and alleys.

185 Parking Stalls

Seventy-five auto parking stalls will be provided in the lot to be established on the west side of First Ave., between Ninth and "C" streets. At the northeast corner of First Ave. and "C" St., a parking lot will provide 56 parking spaces, and in a lot to be located on the west side of Third Ave., south of "C" St., will be designed to park 54 autos. Signs about the business district will direct shoppers to the parking lots, which will be provided free of charge by the property owners of the parking district.

The Music Shop Opened By Angel At 151 N. Second

The Music Shop, 151 N. Second Ave., is Uplands newest business. Winfield M. Angel, a teacher of instrumental music and widely known as a musician, opened the shop this week as a service to the community in providing musical instruments and accessories.

Police Captain Gets Family Inspection

On Monday, Upland Police Dept. will once again have a police captain, with Sgt. Fred Strohte having recently been appointed to fill the vacancy of several years after scoring highest in a written examination and oral interview. Here the officer's children give their approval of the new captain's bars. From left are Crystal Holly, 4; Mrs. Strohte; Candice Louise, 2; Capt. Strohte; Cheryl Ann, 7, and Frederick Richard, 10. Mrs. Strohte is the daughter of retired City Manager Richard G. Manley, now a candidate for county supervisor from this district.

NOTICE INVITING BIDS ON VEHICLE PARKING DISTRICT ASSESSMENT BONDS

NOTICE IS HEREBY GIVEN that the Council of the City of Upland, California will receive sealed bids for the purchase of the following described bonds at its Chambers in the City Hall in said City up to the hour of 7:30 o'clock p.m. California Daylight Saving Time, September 11, 1958.

The bonds to be sold are bonds to be issued to represent unpaid assessments levied on lands within Vehicle Parking District No. 1 of said City to pay the cost of the acquisition and improvement of certain parking lots and related facilities under the Vehicle Parking District Law of 1943, Part 1 of Division 18 of the Streets and Highways Code of the State of California. Said Bonds are sixty-five (65) in number and of varying principal amounts totalling the sum of $131,981.08. Said bonds are dated July 18, 1958 and bear interest from that date at a rate of not to exceed six per cent (6%) per annum. The first interest is payable on January 2, 1959 and thereafter the interest is payable semiannually on July 2 and January 2. The principal of said bonds is payable by coupon in fourteen (14) even annual installments payable on January 2 of each year beginning January 2, 1959. Said bonds are similar to bonds issued under the Improvement Act of 1911, Division 7, of the Streets and Highways Code and except as otherwise provided in said Vehicle Parking District Law of 1943, the provisions of Part 5 of said Improvement Act of 1911 apply to said bonds and govern as to the issuance, collection and enforcement thereof.

In each of said bonds the right will be reserved to redeem such bond at any time before maturity upon payment of the then unpaid principal with interest thereon to the due date of the next maturing interest coupon, PLUS A PREMIUM of three per cent (3%) of said unpaid principal.

Each bond is a lien upon the property upon which the assessment represented by such bond was levied. For a description of the respective lots, pieces and parcels of land upon which the several bonds are liens and for other information reference is made to Assessment No. 46 recorded in the Office of the Street Superintendent of said City and to the List of Unpaid Assessments in said matter on file in the Office of the City Treasurer of said City.

Said bonds are to be sold for cash only to the best responsible bidder at not less than the par principal amount thereof. Each bid shall state that the bidder offers to buy said bonds at the par value thereof and shall state the interest rate, not to exceed six per cent (6%) per annum, payable as above provided, at which the bidder offers to buy said bonds. Bidders are directed to bid on a par flat basis *without accrued interest*. Any accrued interest bid will be entirely disregarded and need not be paid. Any premium offered will not be taken into consideration in determining the best bid except for the purpose of breaking a tie between two bids stating the same interest rate. A bidder may offer a premium but such premium will be payable only if such premium is used to break a tie between that bid and some other bid or bids stating the same interest rate. Only one interest rate may be bid which rate may be stated in any multiple of 1/100th of 1% or any multiple of 1/8th of 1%. No bid for a part of said bonds will be considered.

A certified or cashier's check on a responsible bank or trust company in the amount of three per cent (3%) of the principal amount of the bonds bid for, payable to the order of the City of Upland, must accompany each proposal as a guarantee that the bidder, if successful, will accept and pay for said bonds in accordance with the terms of his bid. The proceeds of the check accompanying any accepted proposal shall be applied on the purchase price, or, if such proposal is accepted but not performed, unless such failure of performance shall be caused by any act or omission of the City of Upland, shall then be retained by the City. The check accompanying each unaccepted proposal will be returned promptly.

The opinion of Gibson, Dunn & Crutcher, Attorneys, approving the validity of said bonds will be furnished the successful bidder at or prior to the date of delivery of the bonds, at no expense to the bidder.

Payment for and the delivery of said bonds shall be made in the Office of the City Treasurer of the City of Upland.

It is expected that delivery of said bonds will be made on or about September 26, 1958.

The bids will be opened at the meeting of the Council of said City to be held Thursday, Sept. 11, 1958 at 7:30 o'clock p.m. California Daylight Saving Time, in the Council Chambers in the City Hall. Bids will be opened during said meeting at or after 7:30 o'clock p.m. The Council reserves the right to reject any and all bids and to waive any irregularity or informality of any bid to the extent permitted by law.

Given by order of the Council of the City of Upland. Adopted on August 21, 1958.

Hazel M. Cassell
City Clerk of the City of Upland, California

Two Ordinances Adopted, One Given Reading

Upland city council Thursday night adopted two ordinances and gave the third ordinance presented a first reading.

Adopted was the ordinance amending the ordinance which adopted a building code for the City of Upland, bringing it into conformity with the latest edition of the uniform building code.

A second ordinance adopted was that declaring the vacating of a portion of Turquoise Way. No opposition to either ordinance was heard.

Given a first reading was the proposed ordinance declaring the city's intention to vacate a portion of Second Ave. on the south side of "A" St. The property concerned is only a tiny parcel originally included in the right-of-way for extension of Second Ave. over the Santa Fe tracks. As the small area is not to be utilized in the right-of-way work, it is being returned to the adjacent property owner.

Woodwards On Fast Flight From Japan

Mr. and Mrs. W. W. Woodward, Judy, Janet and Bill, 1509 N. Euclid Ave., returned Saturday from a two-week trip by commercial airliner to Honolulu, Hawaii, and Tokyo, Japan. The Woodwards visited with their elder son, Mike, who is stationed with the army in Japan, making the trip as a surprise for Mike's 21st birthday.

They returned via Anchorage, Alaska, and Seattle, Wash. Due to the time changes involved, they left Tokyo at 7:15 p.m. Friday and arrived in Seattle at 7:35 p.m. Friday, a time difference of only 20 minutes. In reality, the trip from Tokyo via Anchorage required 18¼ hours flying time.

In addition to surprising their son, the Woodwards also provided a surprise for a cousin of Mrs. Woodward in Honolulu. The cousin, Mrs. Norma Cones, a resident of Manhatton Beach, left Los Angeles on Aug. 6 aboard the Lurline. At that time, the Woodwards had not announced their trip plans. However, on Aug. 9 the Upland family flew to Hawaii, and when the cousin docked at Honolulu on Aug. 11 one of the first things she saw was Mrs. Woodward waving from the dock.

Expansion Critical Necessity

Ontario Community Hospital In First Area Fund Campaign

Ontario Community hospital is launching its first fund raising campaign in the 14 years of its existance as Ontario's only public hospital. In 1942 the hospital was established in Upland by Drs. M. D. Weaver, A. S. Carlson, R. L. McBurney and associates as a private hospital for the Ontario area, but in 1944 a non-profit corporation representing the contributing citizens of the area was set up and ownership of the hospital was transferred to the corporation.

A Board of Directors was elected to control and manage the institution. In 1951 the new hospital building was erected on a five acre site on Campus Ave., Ontario, where it continues its public service to the entire area.

To Determine Goal

Burrill Inc. a nationally known fund raising firm has been engaged by the board to direct the activities of the Expansion Fund campaign. The fund goal to be achieved will be determined by Sept. 4.

Robert Bowman, president of the nine-member board of directors, states that the demand for beds for hospital care is so great that the present hospital facilities are no longer adaquate. The expansion of the hospital has become a critical necessity to meet every day needs, apart from any epedemic, accident or national emergencies that could arise at any time. At the present time patients either have to be accommodated in the halls or turned away. Imperative needs are for additional patient rooms, a new and more complete emergency and receiving department and an out-patient department. Space is at a premium with the administrative, x-ray, pathology, and other departments greatly over crowded.

Seven-Year Record

Patient — wise the facilities of Ontario Community hospital are open to all regardless of race, creed or color. In the past seven years an impressive record of services rendered has ben recorded:

12,515 patients have been admitted, 2,932 major surgeries were performed, 2,299 babies were born, 56,460 hospital days were recorded, 24,035 x-rays were taken and 58,491 laboratory tests were made.

Staff privileges for the hospital are open to all State licenced osteopathic physicians and surgeons, medical doctors, dentists and doctors of chiropody. Thirty doctors serve on the attending and associate staff. An additional 30 doctors from this region are listed on the consulting staff. The hospital is licenced by California State Board of Health as a medical, surgical and obstetrical hospital. It is accredited as a "Class A" institution by the Osteopathic Assn. Bureau of Hospitals and the American College of Osteopathic Surgeons. This year Dr. William Lee and Dr. George Henderson have begun their internship there. The hospital has been chosen by the Civil Defense Dept. as custodian for a complete 200-bed emergency hospital in Ontario, to be set up in any national crisis.

Mr. and Mrs. Merl Kough 345 S. Vine Ave., left this week for a vacation to be spent visiting his brother and sister-in-law, Mr. and Mrs. Floyd Kough, Nampa, Idaho. On their return they plan to visit Glacier National park before touring through Washington, seeing the Coolee Dam and Crater Lake.

Anderson Tops Toastmasters; Turner Lauded

Rayburn Anderson received the speaker of the week trophy awarded by Upland-Foothill Toastmasters club, having won the award in the weekly competition Aug. 20 in the Stuft Shirt restaurant. His talk, "Torture in Tientsin", won over speeches given by Mike Pompa, Elie Turner and Herbert Vogler. Mr. Turner won the award as the most improved speaker.

"Navy Does It Again" was Jim Corn's feature story. Bill Hill was the evening's toastmaster and Sam Grasso was table topic winner, with Bob Ladd as topic-master. Officiating judges were Mr. Grasso, Doug Adams, Buck DiPaolo and Jim Weinkauf. The latter also gave the thought for the day. Frank Baker was a guest.

Drive Safely Labor Day Week End

This one-car traffic crash on Mountain Ave. at 18th St. might well serve to remind motorists to drive safely over the Labor Day week end. A piece of a demolished telephone pole can be seen at left, adjacent to the badly wrecked 1958 sedan. At left center, Driver John Frazer of LaVerne is assisted to his feet and to an ambulance by attendants. At right center, Police Sgt. Tom Davis and Patrolman Vern Colvin question Edward Frazer of Bell, a passenger in the crashed auto driven by his brother. The northbound driver told officers that when he braked his car about a block south of the 18th street intersection, on seeing a southbound auto preparing to make a turn across his path onto 18th St., he lost control of the vehicle. It proceeded north on Mountain, out of control, crossed the southbound drive, jumped the curb, crashed into the telephone pole, and whirled about to stop facing south. The crashing pole narrowly missed falling on the auto, as did the street light, visible at center.

ALTA LOMA-CUCAMONGA NEWS

Dr. A. Anton Anxious To Begin Service

DR. ANTON

Anxious to begin his service to the Cucamonga district and enthusiastic with his new home community is Dr. Achilles P. Anton, who will open his suite of offices for the practice of medicine in the deluxe new professional building at 8063 N. Archibald Ave., Cucamonga, about Sept. 1. The office phone number is YUkon 2-0910.

Filling the long-time need for a physician in the community, Dr. Anton recently came to Cucamonga from New Orleans where he completed his internship at Charity Hospital of Louisiana.

He first became interested in establishing his general practice of medicine in this area through Dr. Robt. H. Crawford, Upland M.D., who was a classmate at University of Notre Dame and Indiana University, where they both were graduated from the Medical school.

The two men spent their freshman college year at Notre Dame together, transferring the next year to Indiana. Dr. Anton's education was interrupted when he was recalled to active duty with the Air Force in 1950-51, serving at Scott Field and Chanute AFB, Ill. He returned to medical school in '52 and was graduated in 1957.

A native of South Bend, Ind., Dr. Anton is married and the father of two sons, Peter, 3½, and Mark, 2. His wife Betty, is also a graduate of Indiana university. The couple is now awaiting the birth of a third child. Their residence is at 7611 Buena Vista, Red Hill.

While attending Indiana U., Dr. Anton taught for 2½ years, 1952 through '55, in the Dept. of Anatomy. He first visited this area a year ago and was impressed by the desirability and potential of the district.

The divorce rate has continued to rise in the United States during 1957.

Citrus Leaders Check New Lemon Sizes

Comparing the now-standard lemon sizes for commercial marketing, right, with the new sizes (center) shipped from here last week in experimental marketing, are from left, Phil Higginson, district manager of O.K.-San Antonio Fruit exchange; Don Savage, assistant manager, field department, Sunkist Growers, Inc. Wohlwend, general sales manager for Sunkist, and Mel Henderson (standing right), manager of Cucamonga-Mesa Growers citrus house where the new lemon sizes were displayed Tuesday before the experimental carload left for Indianapolis.

Cucamonga-Mesa Growers

Dispatch Fourth Experimental Shipment Of New Lemon Sizes

Shipped Wednesday from Cucamonga-Mesa Growers packing house on E. 19th St., was a carload of lemons, sized and cartoned in five of the seven new sizes being tested on the markets, following an idea originated more than a year ago by Sunkist Growers, Inc.

The carload of lemons was sent by rail to Indianapolis for distribution, and is the fourth and final commercial experimental shipment of the new lemon sizes. The first such experimental shipment was also from Upland, from Upland Lemon Growers Assn. in July, 1957, followed by subsequent experimental shipments from Oxnard Citrus Assn. in Oct., '57, and from Santa Paula Citrus Assn. last May.

Market Acceptance

The lemon sizes have been well accepted on the market by Sunkist representatives and dealers, according to Don Savage, assistant manager of the Sunkist field department, who was in charge of an open house at Cucamonga-Mesa Growers citrus house here Aug. 19 when representatives of the citrus industry viewed the new lemon sizes as they were prepared for shipment.

By eliminating one size of lemons packed, reducing the number of sizes from eight to seven, the industry would simplify the process of sizing lemons by mechanical equipment, Mr. Savage explained.

If this fourth experimental shipment of the new lemon sizes meets with the same approval the previous shipments have met in other U.S. markets, Sunkist will initiate a change for sizing lemons in the Calif. Agricultural code during the 1959 session of the Calif. Assembly.

No Obvious Change

If the code is so changed, the new sizes would be used by the lemon industry in this state before the end of 1959. Citrus industry representatives viewing the new lemon sizes here Aug. 19 generally voiced plan.

With only one of eight sizes proposed for elimination, and the remaining seven sizes varying only slightly from the sizes now marketed, there is little or no change in the lemon sizes obvious to the casual observer. Any radical departure from the now-standard sizing procedures would create a group of mixed sizes, Mr. Savage pointed out.

All Students Report Sept. 2 At Central

Pre-registration at Central school, Cucamonga, will take place Tuesday, Sept. 2, it is anonunced by Mrs. Dorothy M. Hickcox, principal, who emphasises that the pre-registration is "for all children, except Kindergarten pupils, even though they were previously enrolled."

The pre-registration, from 9 a.m. to 12 noon, is designed for students to meet their teachers, locate their classrooms and learn which of the double sessions they will attend. Mrs. Hickcox reminds parents that double session classes will prevail in grades one, two and three.

No transportation will be provided by the school on Sept. 2, Mrs. Hickcox states, and children will return home immediately after completing their pre-registration.

Kindergarten mothers will meet Wednesday, Sept. 3, 2:30 o 3:30 p.m., with the kindergarten teachers for orientation. At this time any new kindergarten pupils, not preregistered last spring, can be registered. Double session classes will also prevail in the kindergarten, Mrs. Hickcox said.

Notification of bus schedules and routes will be made by the school prior to the opening day of school, Sept. 10.

Returns Home

Miss Lena Stalter, 500 N. Euclid Ave., has returned from a trip to Illinois where she attended the funeral of her brother, John Stalter in Fisher.

A New Attitude In Alta Loma and Cucamonga

Conditions have changed in Cucamonga and Alta Loma since 1953.

Attitude of the owners of the land has also changed during the last five years.

So a movement is under way to get a new master zoning plan for the 26-square mile area from Grove to Milliken Aves. and from the mountains to the San Bernardino freeway.

In the 1953 master zoning plan provided for maintenance of the agricultural areas for the production of citrus and grapes, as well as poultry. Today citrus and grapes are not economically sound for owners of the land. In five years, conditions can change rapidly and the outlook for this large unincorporated area now is for industrial and residential uses, not for agriculture.

Two members of the San Bernardino county planning commission were at a meeting in Cucamonga Tuesday night to hear what a dozen residents of the area think about zoning. Planners John Littleton and John Peterson should know today that a complete change in the master zoning is sought and perhaps needed. They should also know that citizens want a change in the attitude of the commissioners and other courthouse officials.

Establishment of the Chaffey college campus high up on the hillside east of Alta Loma is bringing about a major change in the attitude of the land owners and community leaders.

Applicants have found it difficult to get changes in the 1953 plan and prospective industrial and commercial developers are reported to have given up in disgust and gone elsewhere.

In the light of the changed conditions and of the attitude, a new development plan is in the making. This is a timely move.

The planners should also be aware of the changed attitude and of the need for a receptive attitude.

Adult Education Classes Are Offered Throughout District By Chaffey College Program

Chaffey college district adult education program will open for the fall semester on Sept. 10, according to William R. Grigsby, who is in charge of the department. The semester extends through Dec. 19 and the second semester will begin after the holidays in January.

Classes are scheduled throughout the Chaffey district at eight off-campus sites.

Registration, Tuition

Registration is with the teachers in the first meeting of the classes. Tuition is $1.50 per course per semester. There is no tuition charge for classes in naturalization, English for the foreign born, or first aid. Lecture series and programs of special interest to adults will be announced from time to time during the semester.

Adult education program classes in the Upland-foothill area are offered as follows:

Upland-Foothill Classes

On the Uplane High school campus, 565 W. 11th St.: Rugcraft, Mrs. Frances Ayers, Mondays, 7-10 p.m., Homemaking room 12; Tailoring, Mrs. Reva Brauns, Mondays-Wednesdays, 7-10 p.m., Homemaking room 13.

Alta Loma Community Church, Hellman Ave. and Base Line: China painting, Mrs. Angelina Bertino, Fridays, 9 a.m. to 12 noon.

Sharps and Flats

By CHUCK BARLOW

Shades of my Sainted Grandfather. What won't they think of next?

Right when I was thinking how convenient modern-day camping had become one of the leading auto manufacturers outreaches reason with the announcement of an extra super-duper camping outfit.

My Granddad Dunlap camped out under the stars, countless nights, on long freight hauls from Omaha to Denver before the days of the Union Pacific. He didn't know camp life would ever be so good. He used buffalo chips instead of a pressure gasoline stove, moonlight and the false light of early dawn served instead of gasoline lanterns. A scratchy wool blanket was his air mattress and a saddle his pillow. He used a flint and steel to start a fire, shaved with his axe and darned his own sox.

He was tall, lean, leathery and tough as whalehide. He was this way until he went to his last camping grounds. He often said one must suffer considerable during this business of living to appreciate the comforts of life once they were attained.

I can imagine his remarks should he have happened on a modern day camp ground with its pink and orchid tents, collapsible shower baths and handy delicatessens. Such is a far cry from braving a dust storm under the lee of a cutbank while chewing on a half-cooked chunk of buffalo hump as the wind howls. The old gentleman lived on the ragged edge of nothing many times during his life.

When I read about this push button camping outfit I was considerably taken back. But what would Granddad have thought should he suddenly have materialized as it was being demonstrated? The Ford magazine did a complete article on the outfit as did one of the popular mechanical publications.

This entire package appears to be a Ford wagon with a loaded boat carrier on top. Upon arrival at the camping ground the owner has but to start pushing buttons. . . . . and things start happening. . . providing the batteries are up. Now this isn't a paid ad for the Ford company so I'm not going into minute deatil. If you need more information it won't be hard to get Jack Christensen or Ben Alexander to discourse at great length on this subject.

The jist is about this: When the push-botton camper arrives on location he starts pushing buttons. A five-passenger aluminum boat swings out on divots much the same as aboard ship. Another button and up goes the tent. When all buttons have been depressed the camper has an outfit ready for occupancy including two beds, completely made and ready to use, an ice box, stove. . .and above all things a shower stall with shower head ready to spurt a reviving stream.

This idea has some good points. The last camping trip I was on found the campers jammed in like baseball fans in the bleachers during a World Series. This tent-on-top would get the occupants above the crush where a little breeze might waft. Having a boat along could solve those exasperating occasions when one arrives on the banks of a beautiful lake, unexpectedly, during a vacation tour. The lake is devoid of craft, fishermen or game wardens. There is no doubt the fish are fighting each other to get to the first lure cast. If one only had a boat what a catch of fish might be realized!

With this Ford camping outfit the owner would have but to punch a button, unload the boat and dump it into the water. Another button would produce rod and reel, another the self-propelled spade for digging fishworms and a third the light weight atomic powered engine to run the boat. In ten seconds the excited nimrod could be on his or her way.

The only thing the Ford motor company forgot was the scheme whereby some of us earners by the sweat of the brow might afford such necessary luxuries. I can hardly support my old jallopy in the manner it has become accustomed. It would be a terrible financial drain trying to keep all the batteries charged on one of these pushbutton rigs.

On second thought, I doubt if my one-and-only, Phoebe, would give this the stamp of approval. She is not the kind to revel with spiders, gnats and flies on a campout. She prefers the security of screens and solid doors. She isn't about to be sold a bill of goods just because of a few push buttons.

And besides, she won't even climb to the third step of a stepladder. How would I ever get her up on top of that car?

Time Passes

25 YEARS AGO

Upland was agog with talk of a recent gun battle between Cecil Myers, Upland police officer, and the much wanted bad man, Pretty Boy Floyd. Officer Myers had started after a speeding motorist when he was fired upon. He recognized the desperado who got way in a chase on Foothill, near Cucamonga, as both cars weaved through traffic. Floyd was wanted for the murder of Kansas policemen. Officer Myers was assisting Southland officers in a concetnrated search in the Los Angeles area.

R. M. Fisher, driver of a bread truck, narrowly escaped death when a South Pacific truck, demolishing it at 10th Ave.

An attendance of 200 or more was expected at the annual chamber of commerce banquet and installation of officers. Retiring board members were, J. Emery Sargent, L. N. Kirk, H. M. Guy, E. Tweed Stone, president; Paul Showalter and E. C. Mehl.

Mrs. A. C. Reynolds, welfare chairman of the Fannie D. Noe school, was asking for donation of clothing for needy children.

Cucamonga-Alta Loma grape growers were asking local citizens to give employment to local men who were out of work. Comprising a committee to push the project were Nelson Van Fleet, Bert Thrall and Judge Thos. Donnelly.

15 YEARS AGO

Billy Richardson, 10-year-old son of Mr. and Mrs. W. R. Richardson, 619 Vernon Dr., was the recipient of a letter from Gen. Geo. Patton. Billy met the General when he was training troops in the desert near Desert Center, a year previously. At the time of the correspondence the General was commanding the much publicized Seventh Army overseas.

The city's summer recreational program was closing with a show which was to include several skits. Miss Florence Armstrong was the director and Mrs. J. B. McCarter was general chairman.

Harvey McMasters, chief observer, spoke to the Rotary club on the history of Upland's aircraft warning service.

Congressman Harry Sheppard was pledged to work for additional houses for wartime workers on his return to Washington.

Upland had been given a quota of $475,000 in the current war bond campaign.

NEW PATROLMAN

Donald E. Carlson has joined Upland Police Dept. as a police patrolman, his appointment on the customary one-year probationary period having been approved by Upland city council.

Add 10 To District Faculties

73-Member Faculty To Staff Upland High School Classes

Alexander McLeish, principal of Upland High school, has announced the addition of 11 instructors to the expanding Upland campus of Chaffey Union High school district for the 1958-59 school term. These new instructors will bring to 73 the total number of faculty members who will convene for the Sept. 4.

The day will begin with an informal breakfast in Memorial park, arranged and served by the guidance department. An automobile tour of the entire school district will follow. From 2 to 3:30 p.m., an orientation meeting for all new instructors will be held at the high school.

New staff members named by Mr. McLeish are the following:

William E. Bandy, Redlands, physical education, B.S. degree from George Pepperdine college; Mrs. Mary M. Bruce, 414 Yale St., Ontario, English instructor, B. A. and M. A. from Stanford university; Miss Phyllis C. Fredkin, 1200 N. College Ave., Claremont, English instructor, B. A. from Scripps college;

Terence J. Gillespie, 360 S. Laurel Ave., Upland, auto shop instructor, B. Phl. from Lateran university, Rhome, Italy; Miss Dorothy Harris, Fresno, English instructor, M. S. from University of Southern California; Edwin A. Kennedy, Glendora, science instructor, B. A. from San Francisco State college and Wayne B. Minton, Temple City, music instructor, B.M. from Southern Illinois university;

Mrs. Ruth E. Parker, 8193 Malachite Dr., Cucamonga; homemaking instructor, B. S. from Purdue university; Mrs. Marie S. Rosche, 161 W. Sixth St., Claremont, English instructor, B. A. from Park college, Missouri and Charles E. Toole, 951 Bonnie Brae Ct., Ontario, English instructor, B. A. from Boston college.

Robert J. Loney, 610 Juniper, Upland is being transferred from Chaffey High school to Upland High school, and will teach mathematics and serve on the coaching staff. He received his B.A. degree from Anderson college, Indiana.

In addition to the above, three members have been added to the driver education staff. These are Manuel J. Meza, 234 W. H St., Ontario; Don L. Morton, 328 E. Princeton St., Ontario, and Mrs. Lenora E. Taunton, 302 East Fourth St., Ontario.

FILM CHANGE

The summer matinee film billing in the Grove Theatre today has been changed to Disney's "Light in the Forest" and "King Creole," starring Elvis Presley, Mrs. Vesta McKean, PTA chairman of the film matinees announced.

Boy Survives 200 Ft. Fall

Steven Slap, 6, the son of Mr. and Mrs. Joseph Slap, 3914 W. 176th St., Torrance, is recuperating in San Antonio hospital from severe injuries suffered when he fell 200 feet from a ledge near Snow Crest lodge to the floor of San Antonio canyon.

The child and his family were spending a week end at the lodge and the accident occured while the boy was hiking with his father.

By a fortunate chance, Sheriff's Lt. Cecil Myers and Vernon Cage, an off-duty deputy, were making a routine patrol in the Mt. Baldy Ski lift area when they were called upon to rescue the child. The rescue was effected in a matter of minutes and Steven was still conscious when rushed to the hospital. His injuries consist of a possible fractured skull and back injuries.

Officers report that his youth was undoubtedly responsible for his survival. He had first fallen 10 feet to a ledge and then plummeted down through the rock and brush strewn canyon wall.

From The U.S. MAIL Mailbox

Dear Sir,

Why is Upland so far behind the times? Other towns around here have a Leash Law for Dogs. Just when will someone do something about it here?

It is very discouraging to have a home in Upland, and try to keep up a nice yard.

The numerous large dogs allowed to run loose, destroying expensive plantings and wrecking lawns, is a disgrace.

Dog owners should keep their pets in their own yards, where they belong, not out digging up the neighbors' yards.

A Leash Law would give property owners some measure of protection.

Yours truly,

Long-Play Record Collection Best Selection In Wide Area

BY JOEL BAUGH

Upland Public library today has the most complete long play record library in this general area, with local users reporting the Upland selection to be larger than even Ontario or Pomona library offerings.

Dr. Hazel A. Pulling, Upland librarian, this week cited the collection of long play recordings as "one of the most important and most used sections" of the Upland library. Inaugurated at the Upland library last December, 1957, the record collection has grown steadily, and as of July 1, "nearly 1400 recordings from the collection were used in homes for one-week periods", Dr. Pulling reports.

40 New Singles

The collection has taken a marked upswing this week with the purchase of 40 singles and three albums. "All recordings are selected with careful attention to excellence in both composition and performance," Dr. Pulling states. "They range widely, from the light musical through the works of such composers as Beethoven, Mozart and Massinet, to complete operas."

Dr. Pulling has been aided in selection of the latest additions to the collection by Harold Barbour, Upland high fidelity fan who aided in installation of equipment in the Upland library last year for the first hi-fi concerts presented by a library anywhere.

New Acquisitions

Complete list of acquisitions to the long play record collection of Upland Public library, to be ready for circulation soon, are here listed with composers and their work in that order:

Debussy—La Mer; Nocturnes; Brahms—Symphony No. 1 in C Minor; Tchaikovsky—Symphony No. 6 in B Minor, Opus 74; Strauss—Don Juan, Opus 20; Death and Transfiguration, Opus 24, and Till Eulenspiegel's Merry Pranks; Handel—Messiah; Mousorgsky-Ravel—Pictures at an Exhibition;

Rogers and Hammerstein—Carrousel; Mahler—Symphony No. 4 in G Major; Mozart—Piano Concerto in E Flat (Jose Iturbi, pianist); Gluck—Orphie; Berlioz—Five Overtures; Strauss—Gypsy Baron; Mahler—Symphony No. 3 in D Minor;

Beethoven—Symphony No. 9 in D Minor; Brahms—Symphony No. 3; Mahler—Symphony No. 10 in F Sharp Major; Beethoven—Symphony No. 5 in C Minor; Tchaikovsky-Symphony No. 4 in F Minor; Cubano—Maria LaO; Stravinsky—Petrovchka; Stravinsky—Suite from the Fire Bird; Bizet—Children's Games;

Ravel—Mother Goose; Stravinsky—The Rite of Spring; Brahms—Symphony No. 4; Symphony No. 2, and Symphony No. 7; Schubert—Unfinished Symphony; Mendelssohn—Italian Symphony; Kogan—Lalo Symphonie Espagnole; Tschaikobsky—Piano Concerto In B Flat Minor; Von Suppe—Six Overtures; Liszt—Piano Concerto No. 1 in E Flat;

Beethoven—Pathetique; Mendelssohn—Violin Concerto; Bizet—L'arlesienne; Mozart—Jupiter Symphony; Schumann—Bach—Brandenburg Concertos Rhenish Symphony No. 3; 1, 2, 3, 4, 5 and 6; Bizet—Symphony in C; Tschaikovsky—Violin Concerto; Grieg—Piano Concerto; Schumann—Piano Concerto, and Respighi—The Fountains of Rome.

Prose And Poetry

In addition to music on records, the library has begun a collection of prose and poetry records, including the following:

Poetry of Edna St. Vincet Millay read by Judith Anderson; Faulkner reading from his own works; Snyder, The Quintessence of Hemingway; Judith Anderson reading the Psalms and Tale of David.

Wedding Music

A new recording of music for weddings purchased on Saturday for the library collection already has one reservation, and Dr. Pulling expects it to be a popular selection. Recordings circulate for one week. For those who do not have a record player at home, the library equipment is available for those wishing to hear the recordings in the library, Dr. Pulling emphasizes.

Two Upland High school seniors, Rosalyn Temby, 1231 N. Palm Ave., and Kathy Robinson, 1361 Winston Ct., select Rogers and Hammerstein's "Carousel" from the display of new long-play records in Upland Public library. The recording is one of 40 new singles and three albums added to the library's extensive collection and to be ready for circulation soon. Records of the library are issued for week-long periods to borrowers. —Upland News Staff Photo

Freshmen In Orientation Saturday, 6th

All Upland High school freshmen are asked by Principal Alexander McLeish to attend a three-hour orientation in the Highlanders gymnasium Saturday, Sept. 6, 9-12 a.m.

Principal McLeish said this is the first year the freshmen have been asked to attend Saturday orientation prior to the opening of school, and urged all freshmen to attend. Objective of the session is for freshmen students to become acquainted with the campus before the start of school. Each student will attend a brief session of each of his classes to learn location of classrooms and to meet his teachers. The brief classroom sessions will follow the opening session at 9 a.m. in the gymnasium, Mr. McLeish said.

Discussion On Great Books

Great Books discussion group will meet Sept. 4, 7:30 p.m., in the community room of First National Bank building, Montclair. The discussion will be on "Can Johnnie's Parents Read", by Gordon Dupee and "What Knowledge Is Of Most Worth," by Herbert Spencer, according to Mrs. Wm. O'Connor, one of the leaders of the group. Those interested may call Mrs. O'Connor at YU 63-0149.

Dr. Pearson CBMC Speaker

Ontario-Upland Christian Business Men's committee members Tuesday night heard Dr. B. H. Pearson, executive secretary and director of World Gospel crusades, at their regular dinner meeting in the Orange hotel, Ontario.

Dr. Pearson is author of several well-known books and from 1943 to 1956 served as a missionary under the Oriental Missionary society. During this time he also assisted with the work of Youth for Christ in Formosa. He established the Inter-American Missionary work in Columbia and under his leadership a seminary and missionary compound were built in Medellin.

In 1956, Dr. Pearson assumed leadership of World Gospel crusades, an inter-denominational, inter-mission organization founded by Mrs. Chas. E. Cowman, noted author of devotional books. To date, this group has supplied nearly 16,000,000 scriptures in 42 languages to many countries. The crusade is not a missionary-sending organization but supplies literature to missionaries support by churches or other means. The nine-year group is supported by contributions from the public.

Upland Sailor In Sea Mishap

Wm. B. Zachary, former student of Upland High school, who enlisted in the U.S. Navy, last March, was reported aboard a minesweeper which went aground in Japan's Inland sea, last week.

Young Zachary is the son of Mr. and Mrs. W. O. Zachary, 1294 Veterans' Ct.

It was reported the 665 ton USS Prestige, of which the Upland sailor was a crew member, was in no danger after springing a leak following grounding in the Naruto strait. The Navy reported a fleet tug was en route to aid the minesweeper and the Japanese Coast guard had dispatched four patrol boats to the scene.

Gregory For Cajon Pass Legislation

Establishment of the long-sought Devore cut-off route from Etiwanda to the Cajon pass is likely to be up for decision in the California legislative session in January, Senator Raymond Gregory said at a meeting Monday in Sycamore Inn.

"I am for the Devore cut-off and I am going to do all I can, if re-elected in November, to get the legislation through," he emphasized. "At present studies of the best route are being made by the California highway commission. The results of these studies will be used in helping formulate the legislation."

The proposed legislation will place the cut-off route in the state highway system.

Mrs. Gregory met with Republican leaders here in an informal discussion concerning the pre-November campaign. Mrs. Lavon Phillips, local member of the county republican central committee, presided. After brief remarks by Mr. Gregory, a question and answer session followed.

An appeal was voiced by Mrs. Phillips and Mrs. Walter Withrow for more help in getting Republicans registered and help in maintaining the headquarters in Ontario.

About People

Included among the many social affairs honoring the former Miss Joyce Brown, prior to her recent marriage to Freddie Seril in Hilo, Hawaii, was a rehearsal dinner for members of the wedding party and family members by the bride-elect's parents in the Haukilau hotel.

Mr. and Mrs. David Quaschnick are occupying their new home at 8220 Malvern St., Cucamonga.

Phyllis A. Blatz, 9834 Hampshire St., Cucamonga, a teacher at the Sonoma Valley Union High school, was a recent participant in the ninth annual California Physical Education workshop for women of secondary schools at California State Polytechnic college. The workshop was sponsored by the California Assn. for Health, Physical Education and Recreation.

Mr. and Mrs. Geo. T. Duley of the Dorothy Willians Dance studio held a preview showing of the new studio, 115 E. "F" St., Ontario, on Sunday, 4 to 6 p.m.

and you'll be
HOT WATER HAPPY
shower after shower after shower!

Choose GAS!
Gas heats water three times faster... easily keeps ahead of the demands of automatic washing machines, dish washers and growing families. Gas costs less, too.

Choose Right Size!
Your plumber's approved sizing chart shows the proper size automatic Gas water heater for your family. Don't buy an inadequate heater. It overworks—won't last as long nor serve you as well as the right size heater.

Choose Quality!
One good way to select a quality Gas water heater that won't rust is to make sure it carries the Verified Long Life Seal shown here—or insist on a 10-year warranty when you order.

It's easy to buy a new automatic Gas water heater. You can give your plumber all the details he needs over the telephone. You may even arrange convenient terms, credit and financing with him over the telephone.

CHEVY COSTS LESS IN ALL THESE POPULAR MODELS!*

There's nothing like one of these Chevies to give you a fast case of new-car fever. But, low-priced as they are, you're likely to find yourself sold on one before you've even considered the cost.

That's because Chevrolet is the only honest-to-goodness new car in its field—new to look at, with a beautiful new Body by Fisher; new to ride in, with two completely new suspension systems; new to drive, with a wider-than-ever selection of engines and a solid, road-snug Safety-Girder frame. Yet all the V8-powered Chevies shown here—plus six even lower priced 6's—cost less than any comparable models in the leading low-priced three. Talk it over with your Chevrolet dealer.

MRS. NIELSEN'S FOURTH BOOK

Author Jean Nielsen's fourth teenage novel, "Walk Under The Trees," published by Funk & Wagnalls, will be released for publication on Sept. 25. An advance copy received by The Upland News shows an attractively bound yellow and green book with a colorful wrapper.

The lively story tells of the arrival in a small Mormon settlement in Arizona of a rebellious teenager in flight from her home surroundings in Washington State. Gwen's emergence as a young person of zest able to meet responsibility and to know herself is the main theme of a story that includes many varied and interesting characters in a homespun setting.

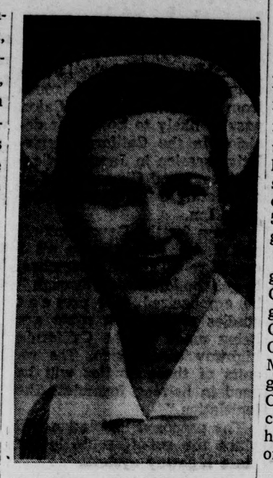

In private life the author is Mrs. Elmer Nielsen, 8645 Comet, Cucamonga. She has a son and daughter. Her other books are, "Fair Exchange," "Island Exile," and "Green Eyes" and all are Funk and Wagnalls publications.

Sharon Boshart Nurse Grad

Miss Sharon Boshart, daughter of Mrs. Tresler C. Boshart, 6935 Hermosa Ave., Cucamonga, and the late Mr. Boshart, will be graduated Sept. 6 from Bethel hospital school of nursing, Newton, Kansas. She has advised her mother that she has been engaged in Kansas at Newton as assistant supervisor of the operating room of the Bethel Deaconess hospital.

Miss Boshart was graduated from Chaffey High school in 1953. She attended Bethel college in North Newton where she is a member of Beta Kappa sorority. As a member of the college A Cappella choir she was with the group on a nine week European tour in the summer of 1955 when 5 concerts were given in Holland, Germany, France and Switzerland. In Berlin the group recorded at Station RIAS for the Voice of Freedom.

Her mother and sister, Miss Lerace Boshart, plan to attend the graduation. Before

McDaniels In Oakland Move

Mrs. Elmer McDaniel, 865 Altura Way, is completing plans to join Mr. McDaniel, who is in Oakland with Lockheed Air service. He was transferred from the Ontario plant in May. The McDaniels have three children, Kathleen, who has been an Upland High school student; Michael, a student at St. Joseph's, and Pat, 5, who will be starting kindergarten this fall.

Recently Mrs. McDaniel was guest of honor at a dinner in Old Hickory Inn, Glendora, given by members of Court Our Lady of Hope and Court Our Lady of Fatima. Mrs. McDaniel is a past grand regent of Court St. Anthony Catholic Daughters of America. For the past two years she held office in Court Our Lady of Fatima.

Those from this area included Mmes. Edward Mesler, Henry Lucas, Ellen Kincaid, Douglas Harp, Edward Duffy, Floyd Patterson, Frank Wuchenfennig, John Ganger and Miss Miriam Clark.

Club Slates Homes Tour

Plans were formulated for the Upland Woman's club Christmas tour of homes at a recent meeting in the home of Mrs. C. P. Jacobs, president, 1058 W. Seventh St.

Mrs. B. C. Stevens is general cheirman of the event to be held Dec. 5. Homes for the tour have not yet been selected.

Those in charge of committees are Mrs. Jacobs and Mrs. Howard Scarborough, decorations; Mrs. Earl Riggs and Mrs. Gerald A. Woods, refreshments; Mrs. O. B. Thomson, hostesses; Mrs. J. C. Baird, cookies; Mrs. Wm. Amberson, posters; Mrs. Ralph Almquist, tickets and programs; Mrs. Harold McCreight, transportations; Mrs. Joel Baugh, music; Mrs. Henry Dybsand, publicity.

The next meeting will be held in the home of Mrs. J. C. Baird, 1010 N. San Antonio Ave., Sept. 22, 7 p.m.

Those attending were Mmes. Stevens, McCreight, Baird, Irwin Geiser, Thomson, Dybsand, Woods, Scarborough.

Kindergartners' Annual Party

Kindergarten pupils attending Sierra Vista school this semester will be entertained at the usual party, along with their mothers, in the school on Sept. 9. Members of the PTA, Mrs. John Harrah, president, are sponsoring the party at which the children will be given a preview of their school work. Refreshments will be served.

Children who will attend the morning classes will have their party from 9 a.m. to 10 a.m. The afternoon class will be entertained from 10:30 a.m. to 11:30 a.m. Parents will be advised of the school session to which children are assigned.

Five Upland High school girls of Cucamonga, Merla Whittaker, Annette Filpi, Betty Jane Warda, Diane Muskow and Emily Blatnick, accompanied by their mothers, spent a week at Newport Beach recently.

Tom Jamieson Wins Award

Tom Jamieson, outstanding Upland art student, who is working toward his master of fine arts degree at Claremont Graduate school, has been named winner in a Claremont contest for the design of that city's exhibit in the Los Angeles County Fair.

The contest was sponsored by Claremont chamber of commerce and the prize was a check for $50.

The design presented in miniature, will be built by the Claremont Junior chamber of commerce. It utilizes photographic reproductions and graphic art work to dramatize the artistic elements of life in Claremont. Art objects created by Claremont artists will be displayed.

The exhibit will be entered in the small cities competition at the fair.

Dance Studio Has Preview

A preview showing of the new location of the Dorothy Williams Dance studio, 115 E. F St., Ontario, was held in two sessions, the first on Saturday and the second on Sunday afternoon.

Mr. and Mrs. Geo. Duley were the hosts. Mrs. Duley is known professionally as Dorothy Williams. Co-hostess was Miss Betty O'Brien, teacher.

Uplanders attending included Mrs. Andrew Barmakia, Mrs. Barbara McCracken, Mr. and Mrs. Richard Manley, Misses Ruby and Lilian Harnish, Mr. and Mrs. Donald Conway, Mr. and Mrs. Clifford Keller, Mrs. Arthur Reeder and from Cucamonga, Mr. and Mrs. Samuel Elder.

Standleas Buy Miller Home

Mr. and Mrs. Leslie Standlea, formerly of 305 Greentree Rd., are now occupying their recently purchased home at 877 Sharon Way. Mr. Standlea, is a counsellor at Chaffey Junior college. They have three children; Norma, the eldest, is an elementary school student and the two others are Janet and Stephen.

The Sharon Way home was purchased from the Ralph Millers, who have moved to Ontario while their new home on Twenty-second street is being built.

Girl Scouts Study History Of Cucamonga

Members of Girl Scout Troop 82 of Cucamonga held a potluck supper and then went skating at Upland Memorial park rink Friday night.

During the past three weeks the girls have been studying the history of Cucamonga. In the course of their research they have visited places of historical and current interest, including The Cucamonga Times, the fire station, and Cucamonga Community Methodist church.

Two of the oldest homes were also visited. Within the next week or so when the grapes are being pressed they plan to visit wineries to see how wine is made. Also on the agenda is a visit to schools to have the school system explained, according to Mrs. Delmas Shepley, Scout leader.

WRITE AD-RIMES

MRS. FREDDIE SERIL (NEE JOYCE BROWN) OF HILO, HAWAII

Joyce Brown, Freddie Seril Wed In Recent Hilo Rites

Miss D. Joyce Brown, daughter of Mr. and Mrs. Grant Brown, 485 N. Grove Ave. and Freddie C. Seril of Hilo, Hawaii, were married in the Hilo Methodist church, Aug. 16, 7:30 p.m., with the Rev. Harold Cary, recently of Duarte, officiating in double ring rites.

Mr. Seril is the son of S. S. Seril of Hilo and the late Mrs. Seril.

Gladioli and carnation bouquets, plumeria and ivy as pew markers and ivy entwining the candleholders decorated the church for the candlelit service when the bride was given in marriage by her father.

She wore a Wm. Cahill of Hollywood gown of imported, hand clipped Chantilly lace and nylon tulle over taffeta with a long molded bodice, sabrina neckline, three-quarter-length sleeves and a voluminous skirt that fell gracefully into a chapel bush train. Her fingertip veil was of French illusion and was caught to a pillbox of lace appliqued with baby pearls. Her bouquet was of white cattalaya orchids and white phalaenopsis arranged on a white Bible.

Mrs. Geo. M. Gibson, 894 N. Second Ave., who went to Hawaii for the ceremony, was her maid of honor. Her champagne colored chiffon frock had a ballerina-length bouffant skirt, and a molded and softly draped bodice. She carried a bouquet of hybrid vanda orchids.

Miss Kay Vido of Hilo was the bridesmaid. Her nile green chiffon, ballerina length frock had a flowing back panel. The molded bodice was softly draped and had a cowl neckline. Her flowers were also hybrid vanda orchids.

Beth Cary, daughter of the officiating minister, as flower girl, wore a yellow bouffant frock with white accessories and carried a white basket of vanda orchid petals.

George Olival of Hilo was the best man and the ushers were Alex Yuen and James Mann, both of Hilo.

Mrs. Brown, mother of the bride, wore a beige linen lace dress over an avocado faille sheath and an alba cattalaya corsage.

Mrs. Kazuma Hisanaga, the organist, also accompanied Joseph and Harry Kalema who sang, "Hawaiian Wedding Song," and "The Lord's Prayer."

A reception followed in the Naniloa hotel, Hilo, where 150 guests attended. Decorations consisted of gladioli and carnations. The three-tier wedding cake was topped by an elevation surrounded by fragile white flowers.

Assisting as hostesses were Mrs. Howard Pierce, formerly of Upland, Mrs. Welton Armstrong and Mrs. Geo. Olival.

For the honeymoon at Volcano House, Kona, and an undisclosed destination, the bride changed to a powder blue nautical chemise dress with navy blue accessories.

The Serils will make their home at 1178 Kinoole St.

He is supervisor of Hawaii Mackenzie Tours. He was graduated from Hilo High school and attended University of Hawaii. He is a member of the Hilo Rifle club and the National Rifle Assn. He served in the U.S. Army for 8½ years and saw service in the Pacific and European theatres. He was born in Hawaii.

Mrs. Seril is a registered nurse and was graduated from the Methodist School of Nurses in 1957. She is a member of the California State Nurses' Assn. She was graduated from Chaffey Union High school in 1954 and had lived in Upland for nine years.

In addition to her parents and Mrs. Gibson, Mr. and Mrs. W. Armstrong of Monrovia attended the wedding.

Two Grades On Shift Sessions At Elementary

Two grades at Upland Elementary school will be on shift sessions this fall. There will be both morning and afternoon kindergarten classes and the same will apply to the second grade. A tentative estimate on enrollment is that it will be very close to that of last year.

Parents of the students will be advised as to their placement, according to Richard R. Riley, principal.

In addition parents of kindergarten students will be asked to attend a pre-school get together so they may learn of the school routine and other activities in which the children will participate. Date and time of this event is Sept. 5 between 2 and 3 p.m.

Ninety Certificated Personnel Staff 4 Elementary Schools

Harold W. Cook, Upland Elementary school district superintendent, announces the list of 90 certificated personnel to staff the four schools of the district this year. The 90 staff members is an increase of 10 over 1957-58, with nine new teaching positions filled and one school nurse added.

Administrative heads at each of the four schools are returning as principals, including Richard R. Riley, Upland Elementary school; Edwin P. Dean, Upland Jr. High school; Mrs. Frances L. Mitchell, Baldy View Elementary school, and Jesse S. Jensen, Sierra Vista Elementary school.

Attractive counters and cabinets in the spacious new home economics room nearing completion in the new building at Upland Jr. High school is inspected by Dist. Supt. Harold W. Cook, who checks the plans on the project. The home economics and arts and crafts departments, the open-air eating area and lockers, and the new campus snack bar will be completed and placed in operation sometime this fall.

MYF Group Sees Movie,

Methodist Youth fellowship of Cucamonga Community Methodist church experienced a busy week end, with two special events added to the regular Sunday program.

Saturday morning the group attended the movie, 'Windjammer," at Grauman's Chinese theatre in Hollywood. MYF'ers on the trip were Cathy Crawbuck, Barbara and Janet Murray, Pat Chojnacki, Emily Bowman, Diane Casey, Paula Makabe, Gary Linden and Martin Goetsch, also accompanying the group were the MYF counselors, Mr. and Mrs. Chas. West and their two children, Sherry and Paul; Wm. Casey, Mr. and Mrs. Paul Makabe, Naomi and Truman.

Sunday evening the Cucamonga MYF was well represented at Upland First Methodist church, when Dean Jones, one of the brightest newcomers to the entertainment field—as a recording and movie star—appeared in person to sing and talk to MYF'ers from a wide area as the Youth Activity Week kick-off.

The Rev. W. H. Stockton accompanied the Cucamonga delegation to the entertainment program and worship service. Attending were the Misses Crawbuck, Makabe, Bowman, Lynette Billings and Judy Regan, as well as Gary Linden and Martin Goetsch.

Manhattan Island received its name from a tribe of Indians known as the Manhattens.

PHYSICALS, INSURANCE FOR GRIDDERS

Director of Athletics Gerry Bell this week announced physicals for football candidates and reminded the gridders of the insurance necessary before uniforms can be issued at Upland High school.

Coach Bell, formerly head football coach until being named athletic director, said varsity and B football candidates will receive physical examinations Thursday, Sept. 4, 7-8 p.m. Insurance will be available for purchase at that time and uniforms will be issued the varsity players.

"C" team grid candidates will check out uniforms and buy the insurance Saturday, Sept. 6, 1 to 3 p.m., Coach Bell added, with practice for all teams to open Monday, Sept. 8. B and C teams will practice in the afternoon and varsity will take to the field in the evening.

Citizens Learn State Funds Available For Mental Health

BY CHUCK BARLOW

Members of West End Mental Health Assn. with other interested public officials learned requirements necessary to qualify for state financial aid under the Short-Doyle act during a luncheon meeting Thursday in the Stuft Shirt restauin, chief of state-local mental rant when Dr. Edward Rudhealth services for the state department of mental health, addressed the group.

Dr. Rudin explained that the new legislation was set up to provide operational financial aid to communities with a mental health program which complied with certain state requirements.

West End Eligible

The Short-Doyle act makes it possible for the West End area to take advantage of this financial aid because the legislation specifies that any community of 50,000 or more is eligible. Financial aid from the state may be at either county, city or community level, he said.

The board of supervisors must first clear the way for state financial aid by passing a resolution of intent, Dr. Rudin said. The board then appoints a health advisory board of seven persons. This to include three physicians-one of whom is a psychiatrist, a superior court judge, chairman of the board of supervisors and two representatives of the general public.

Name Director

Next the board must name a director of mental health. This director may be the head of the county hospital, city health officer or a psychiatrist. If the director is not a psychiatrist one must be named as staff chief.

The community or county applying for financial aid from the state must comply with two of five required services, Dr. Rudin pointed out. The services to be provided must be submitted for state approval in an outlined plan. He enumerated the required services to include:

Required Services

1. Establishment of psychiatrict outservice clinic for those voluntarily seeking aid.

2. Hospital service for psychiatric patients not to exceed 90 days. This service for patients voluntarily seeking it.

3. Rehabilitation service for those previously treated.

4. Education program in mental health at the public level to advise how mental patients best be accepted back into the family and community, and to further inform on scope of mental disorders and the community responsibility.

5. Consultation service utilizing services of physicians, clergymen, lawyers, social workers and educators.

State Dept. Approval

A local plan must be submitted to the State Department of Mental Hygiene describing the group of services to be offered. After approval by this state department, reimbursement may be made for one-half of operational costs. Cost of purchasing buildings, equipment and grounds do not come under the head of operational costs, he said.

Dr. Rudin pointed out that 11 active programs throughout the state, with minor adjustments, were able to qualify for state aid under the new Short-Doyle act. A new program for Kern county has been submitted, he said. This is the only completely new program under consideration at present, he pointed out.

Program Costs Vary

During a question and answer period Dr. Rudin summed up costs of the various programs as running from a budget of $36,800 for the new Kern county program to $500,000 for San Mateo county. Cost of individual programs depend on the density of population and the amount of services offered, he said.

Dr. Rudin was introduced by Mrs. John Petry, head of the county committee on the Short-Doyle act. She pointed out that the new legislation makes it possible for communities to take a direct part in the care of mentally ill within the community.

Rev. Goering Presides

Presiding at the luncheon meeting was the Rev. Paul Goering who served in the absence of the Rev. Paul Kennedy, president of West End Mental Health Assn.

The Rev. Mr. Goering introduced Councilman John Cooper, representing Ontario city council; Mayor Abner Haldeman, officially representing Upland, and Assemblyman Eugene G. Nisbet. The three officials gave brief addresses of welcome to luncheon guests.

Mrs. Johnson's Mother Dies

Mrs. Rubye Etta George, 61, died at the home of her daughter, Mrs. Doyle Johnson, 762 Shasta Way, Thursday, after a six weeks' illness.

She was born in Lordsburg, N.M., and had come to Upland six weeks ago. She is survived by her husband, R. K. George; four sons, John of Redwood City; Dan of El Paso, Texas; Raymond of Phoenix, Ariz., and Bill of Silver City, N.M.; two sisters, Mrs. Edna Johnson of El Paso and Mrs. Luther Shelton of Honey Grove, Texas.

She was a member of the Baptist church.

The remains were sent to Lordsburg, Friday, for the funeral services in Heather Mortuary and interment in Mountain View cemetery there. Richardson-Peterson were in charge of local arrangements.

Band Issued Call For Four Rehearsals

Elbert Warren, director of the Highlanders band of Upland High school, this week issued a call for all band members to appear for rehearsals in the school library next week, Sept. 2-3-4-5, 6 to 8 p.m. Mr. Warren especially invited freshmen who are instrumental musicians to appear for the practices.

Preparations for the band's appearances at the Los Angeles County fair, being held earlier this year, and football season activities will be made during the practice sessions, Mr. Warren said.
